Check List for Tenderer before submission of Tender:

1. Read carefully and understand each clause of the Tender Document. Your Special attention is requested on various penalty clauses mentioned in tender documents.
2. Each page of the Tender Document is to be signed and stamped.
3. Deposit EMD (only as DD) as listed in Tender Document.
4. Submit documents like Invoices, Cash Memo, Bills etc. in support of possession of vital test equipments/machines. Undertaking to provide vital equipment on awarding the contract.
5. Submit list of Personnel who will be deployed on regular basis for this Maintenance work along with their qualification and experience.
6. The team has to be headquartered at Yeshwanthpur so that failures can be attended within shortest possible period.
7. Please quote a percentage (both in figure & words) 'above/below' the rates given by RailTel against 'SOR-A -

It is mandatory on the part of the tenderer to execute certain additional repair / diversion works at the rates specified in SOR-B. If needed, separate Work Order will be issued by RailTel for execution of some of the items against 'SOR-B' as per rates indicated by RailTel. The tenderer shall quote percentage (Above/below) for SOR-A. SOR-B rates are fixed and the percentage quoted at SOR-A is not applicable for SOR-B rates. Execution of works under SOR-B are on need base. For execution of items against SOR-B, no minimum work can be indicated, however, the maximum amount against SOR-B shall normally be kept at 10% per year on annual amount of SOR-A. However, additional 20% of annual amount of SOR-A under SoR-B may be utilized for OFC diversion works, marketing requirement and improvement works etc.

8. Failure to comply with the above points shall render the offer to be invalid and liable to be rejected.

Signature of Tenderer with Seal
