2	Clause 1 (new para 5)	New Clause	In terms of MOU entered with Railways, RailTel has inter-alia, right of way and land & building space for construction of towers.
3	Clause 2.1	RailTel invites bids from firms (Telecom Service Providers/IP-1 license holders) having previous experience in installation, maintenance and operation of Ground Based Towers (GBT)/Ground Based Mast(GBM)/ Roof Top Towers (RTT) to supply, install, maintain and operate the GBT/GBM on Railway premises PAN India.	RailTel invites bids from firms (Telecom Service Providers/IP-1 registration holders) having previous experience in installation, maintenance and operation of Ground Based Towers (GBT)/Ground Based Mast(GBM)/ Roof Top Towers (RTT) to supply, install, maintain and operate the GBT/GBM on Railway premises PAN India.
4	Clause 2.2	RailTel intends to execute a contract engagement with successful bidder/s wherein bidder/s on behalf of RailTel will build/install/manage GBT/GBM at Railway stations/premises (minimum 5000 - excluding the sites where RailTel Towers already present) and the bidder/s will share the annual revenue with RailTel throughout the contract period.	RailTel intends to execute a contract engagement with successful bidder/s wherein bidder/s on behalf of RailTel will build/install/manage GBT/GBM at Railway stations/premises and the bidder/s will pay the annual revenue to RailTel throughout the contract period.

5	Clause 2.4	Each bidder has to quote for minimum 2500 GBT/GBM in the financial Bid. H-1 bidder will be awarded installation of minimum 2500 GBT/GBM on Railway stations/premises and H-2 & H-3, if the match H-1 quote, will be awarded installation of minimum 1500 & 1000 GBT/GBM respectively.	Each bidder has to quote, location wise, for minimum 100 GBT/GBM in the financial Bid. Bidder quoting the highest in each location will be awarded the said location for the installation of GBT/GBM. 100 is the minimum number of GBM/GBT to be quoted. However, bidder may quote for as many as numbers above 100, in the bid. Wherever the bidder is H-1, the location will be awarded to them. Also the bidder, in the financial bid format, has to provide the commitment of the minimum number of GBM/GBTs to be installed by them during the project timeline as defined in clause 6.13. The committed number should be equal or greater than 100. The bidder must install tower infra in those committed locations, provided they come H1. Moreover, the bidder may submit the proposal for even for more number of sites than the committed number, still they will be considered for those excess sites, provided they came H1. Please refer annexure XI.
6	Clause 2.5	Based on the bidders requirement, more than one tower (GBT/GBM) can be installed in one station/town/city, subject to feasibilities, including Railway approval. However, commitment of minimum 2500 GBT/GBM would be considered for evaluation purpose. Available list of Railway stations with Lat-Long (where RailTel tower is not present) is given in Annexure-VII and List of Railway Colonies is given in Annexure-VIII of the RFP. The RFP is open for the installation of GBT/GBM on all area under Railways Jurisdiction (ie. stations/colonies/offices/factories/institutes etc.) Bidder may also propose the install the GBT/GBM in the locations not defined in the RFP, provided that location comes under Railways jurisdiction.	Based on the bidders requirement, more than one tower (GBT/GBM) can be installed in one station/town/city, subject to feasibilities, including Railway approval. Available list of Railway stations with Lat-Long (where RailTel tower is not present) is given in Annexure-VII and List of Railway Colonies is given in Annexure-VIII of the RFP. The RFP is open for the installation of GBT/GBM on all area under Railways Jurisdiction (ie. stations/colonies/offices/factories/institutes etc.) Bidder may also propose to install the GBT/GBM in the locations not defined in the RFP, provided that location comes under Railways jurisdiction. In case, the bidder proposes to install the GBT/GBM in a location that is not mentioned in Annexure-VII or Annexure-VIII, the minimum reserve amount of such location would be equal to the minimum reserve amount of the nearest Railway station/colony to the proposed location.

7	Clause 2.7	Bidder to quote highest annual revenue share + yearly escalation % to RailTel per GBT in the pre-defined category of cities, and the bidder quoting highest would be selected for executing the work. Classification of the cities is mentioned in Annexure-VI of this RFP document. Bidder has to submit preference wise list of 6808 locations (station/colonies etc) with lat-long along with the financial bid, out of which first 2500 locations should contain the minimum no. of city wise locations which comes under all five category of the cities, as defined in financial bid format. The minimum amount to be quoted on each of the category of cities is given in the Annexure-VI, the bidder is required to quote the amount higher than the given minimum amount. Any bid received for the lower amount than the given minimum amount shall be rejected.	Bidder to quote highest annual revenue + yearly escalation % to RailTel per GBT/GBM for each locations, and the bidder quoting highest would be selected for executing the work. Any bid received for lower than the amount given in the minimum reserve revenue amount in Annexure-VII & Annexure-VIII or minimum reserve annual escalation of 3% or less than 100 locations, may liable to be rejected.
8	Clause 2.8	The GBT/GBM will be owned by RailTel. RailTel will lease the GBT/GBM on long term lease basis for 18 years to the bidder against the quoted revenue share, from the date of its installation. If there is any damage on GBM/GBT or associated infra, during the long term lease period, the same shall be repaired/replaced by the bidder before leaving the site, at their own cost.	The right of use of the GBT/GBM will be with the selected bidder for the period of 18 years from the date of its installation or payment start date to RailTel, whichever is earlier. The bidder may claim the depreciation for the GBT/GBM. At the end of the 18 years, the bidder shall transfer the tower and associated infra to RailTel at a nominal (₹ 1) book value. If there is any damage on GBM/GBT or associated infra, during the 18 years, the same shall be repaired/ replaced by the bidder before leaving the site, at their own cost.
9	Clause 2.9	Each GBT/GBM shall be installed in the approved space of Railways only and as per the drawing/design provided by RailTel . The Bidder may use their own drawings/designs of GBT, provided those are approved by RDSO/ Railway.	Each GBT/GBM shall be installed in the approved space of Railways only. The bidders will be allowed to use only RDSO approved designs for towers. RailTel shall arrange the tower design.

10	Clause 2.10	OFC of the bidder or any third party will not be allowed on the site. In case bandwidth connectivity is required to the sites so created, bidder shall take the bandwidth from RailTel and RailTel will arrange fibre connectivity till the site from its nearest POP. Bandwidth charges will be mutually agreed. Bidder will provide space, power and earthing connection for RailTel to put equipment and terminate OFC in the setup at no cost to RailTel. While there is provision for using MW antennae to use the site, bidders are encouraged to use RailTel's OFC bandwidth to provide stable and high capacity connectivity.	Wherever feasible, RailTel will provide the required bandwidth to the bidder or its tenant on chargeable basis, the charges for the same would be on case to case, payable annual in advance. Wherever feasible, RailTel may also provide fiber on case to case commercial basis, payable annual in advance. In case the bidder wishes to lay the fiber from the tower sites to their nearest Point of presence (POP), they have to lay the fiber from the tower sites to their required POP locations via nearest Railtel POP. The data on the nearest POPs shall be provided at the time of implementation. RailTel will facilitate ROW in the Railway area and will provide space and raw power at RailTel's POP for bidder's equipment at no cost. In the laid fiber, Bidder has to give two pairs of fiber to RailTel from the tower sites to their POP via RailTel's POP . Also the bidder shall provide the required space and power supply at their POP for RailTel's equipment termination, at no cost to RailTel.
11	Clause 2.11	Railways intend to install tower for its own captive LTE/4G requirements, for which it has already been allocated spectrum of 5 MHz in 700 MHz band. So there exists a possibility that one tenancy in such locations may be taken by Railways. Hence, on the advice of RailTel, the bidder shall allow one tenancy to Railway immediately, for which the bidder will be paid 33% of the amount quoted against such GBT/GBM. Hence, after one tenancy allowed to Railways, the bidder shall pay only 67% of the quoted amount for those sites, to RailTel. The bidder in no way shall charge to Railway directly.	Railways intend to install tower for its own captive LTE/4G requirements, for which it has already been allocated spectrum of 5 MHz in 700 MHz band.
