Ref: RailTel/Tender/OT/CO/ITP/ IBW/2020-21/555 dated: 30.03.2021.

In reference to tender for “Empanelment of Category-A Internet Service Providers for rate contract for Procurement of Internet Bandwidth” Tender No. RailTel/Tender/OT/CO/ITP/ IBW/2020-21/555. Dated: 30.03.2021, following clarifications are issued:

1. Against a single physical tender, since there was a requirement of evaluation of the bids, line item-wise (SOR), in the e-portal, visibly five tenders (one for each item line of SOR) have been uploaded with the same number, estimated cost, EMD, Form fee (Tender document cost) and processing fee. However these are to be treated as single tender with five numbers of line items of SOR and the following information:
2. The prescribed EMD amount as applicable is required to be deposited only against any one of the five online bids. Against the remaining bids, the bidder may use the option “exempted” for EMD deposit.
3. The prescribed Form fee/Tender document cost as applicable is required to be deposited only against any one of the five online bids. Against the remaining bids, the bidder may use the option “exempted” for Form fee/tender document cost.
4. The prescribed processing fee as applicable is required to be deposited only against any one of the five online bids. After depositing the processing fee in any one of the five visible tenders, bidders may email the transaction details i.e. receipt generated from the web portal and their credentials such as company name at email (ashwani@railtelindia.com & rajeekumar@railtelindia.com) Immediately the bidders shall be allowed to process against all the visible remaining bids i.e. all the line items of SOR.
