

शुद्धिपत्र-1, दिनांक 13.08.2022
(Corrigendum-1, Dated 13.08.2022)

विषय (Subject): Procurement of Router & Switches for various projects.

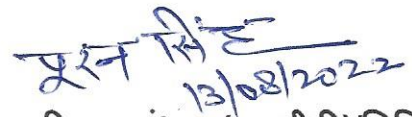

संदर्भ (Reference): This Office GEM Bid No. GEM/2022/B/2405471, Dt. 02.08.2022

In reference to the above-referred GeM Bid, the following Corrigendum-1 is issued herewith:

Clause No.26 is added to "RailTel's Bid Specific Additional Terms & Conditions:

26. The bidder shall establish a fully operational proof of concept at Kolkata or designated pops using the same products to be offered in the technical bid for a period of 15 days. POC shall start within 7 days after getting information on POC. The bidder shall supply & install and make operational the site with the solution they offered in the technical bid at no cost to the purchaser. The bidder shall successfully execute all Test plans, cover functional requirements, capture and analyze site performance metrics etc. Upon completion of the POC, the bidder can take back their installed equipment's. A Technical expert of the bidder must remain present during the presentation/demonstration for the technical clarifications if any. Bidder will arrange the demonstration of the proposed solution during POC. During the demonstration period, the committee will evaluate the functional requirements, interoperability with the existing network setup. After evaluating the demonstration, the committee of experts will decide the list of successful bidders. Committee will evaluate the technical parameters for each successful bidder and the decision of the Committee shall be binding on all the bidders. Failure in POC leads to the rejection of the bid.

All other Terms & Conditions are as per GeM Bid.
