S. No.	Clause No. & Chapter No	Page No.	Sub-clause no./ point no.	Content of the clause requires clarification	Points of Clarification required	RailTel Response
1	Chapter 1 & clause No. 1.2	46	1.2.1	Existing Network Topology which DCN to be provision	Clause is not clear. Acc to tender, OEM is suppose to manage DCN of other OEM. Please confirm NMS will be of other OEM or same OEM for which nodes installed. If NMS is from other OEM and Nodes are from other OEM, then it is not possible technically to do that. If NMS is from same OEM as Nodes are from, then the extended DCN can be managed using switches only which we believe RailTel is already doing So, there is no scope of technically to provide solution for DCN by other OEM than the OEM who have installed nodes. Request you to remove section 1.2 from the tender as solution is not technically feasible from any other OEM than OEM whose nodes are already installed.	Tender condition is very clear. Desired Solution is technically Possible. NMS is from same OEM as Nodes are from, Bidder has option to submit the solution through internal/external DCN. DCN is required for site management and supervision of fibre health.
2	Clause No.21	24	NA	Bid prices, Taxes & Duties	As per last CO tender (Tender No. 001), offer should be submit in Indian rupees only. Kindly confirm if it is applicable in this tender also. CO Tender description " The price shall be quoted in Indian rupees (FOR/CIP destination)	Tender condition is very clear please refer the Chapter –II schedule of Requirement & Rates format. And Chapter –III clause - 12 .
3	Clause No.3 Chapter-3	18	NA	Scope of Work	As per tender scope of work, installation and commissioning also part of tender scope but there is no separate services line item in tender SOR. Kindly confirm	Tender Condition is very clear. Scope of work is clearly defined under tender document Clause No.3 of Chapter-3. Bidder has option to create separate service line in detailed BOQ, however bidder has to submit the bid as per provided format.
4	Clause No. 36.2 Chapter-3	28	NA	In case of two packet/ Reverse Auction	Is there reverse auction in this tender. Pls confirm.	Tender conditions is very clear. Please refer the tender document chapter - 3 clause- 36.2 Note: 2.
