RailTel officials and Vendors Present:

RailTel	Name of Vendor & Representative
Shri Yashpal Singh Tomar, GGM/POM/SR Shri Ch. Venkatrao, Asst. GM/POM/SR	1. Shri Khirid, Unique Telecom, Pune 2. Shri Suresh, Bharathi Communications, Visakhapatnam Through Webex link: 1. Shri SVS Sagar, Sritel Systems Pvt Ltd 2. Shri D.Kannan, Kanagadhara Enterprises 3. Shri Partha Sarathy, Bhabha Technical Services 4. Ms.N.A. Punitha, Shiva & Co 5. Shri Fairoz 6. Shri Somasekhar, Fibernet Services

Shri Yashpal Singh Tomar, GGM/POM/SR, RailTel addressed the pre-bid meeting for the above referred tender(s) and clarifications given against the quires sought by vendors are tabulated as below:

S No	Name of the Vendor	Query	Clarification by RailTel
1	Unique Telecom	Mr.B.S.Khirid stated that he is a Director of one company and Proprietor of Unique Telecom. Can he participate from both the Companies?	He can participate by disclosing all the such facts.
2	Fibernet Services	Regarding consideration of Adjacent section for the existing vendors	Please refer cl.no.24 of preamble where it is clearly mentioned that, two adjacent sections will not be awarded to the same Agency
3	Kanagadhara Enterprises	Regarding experience certificate to be provided by RailTel/any other Agency for the completed work/maintenance to participate in the tender.	1. If any vendor wants to participate tender, who applied for experience certificate to RailTel/any other agency, but not received, then he should: (i) Submit self-attested certificate clearly showing the details of PO, Name of work, period of work, value of work along with proof of submission of applied letter to RailTel/to any other agency. RailTel at its discretion may decide to verify the credentials.
4	Bhabha Technical Services (thru mail)	1. Some of the section lengths were given more than 250 Kms in the tender document. Will the lengths remain same till the tender completion or will they change? If we consider the tendered length while quoting the rate, deletion of the section length impacts the base price of the section in future.	1. Each section length is defined in the tender document and will not change unless RailTel gives in writing of the change of length. Please refer cl.no.11 of preamble wherein it is clearly specified about the right of RailTel to accept / reject any tender in respect of whole or any portion & to add or delete any

	Please provide the length to be considered. 2. The below 2 are the same but given differently. In page no.42 Item No.17 500 m Aerial OFC having 12 fibers. In page no.74 list of equipment table given as 500 m 24 Fiber Overhead OFC.	maintenance section. 2. Page no 74 item for 24F will be corrected to 12F. Corrigendum will be issued for the same
--	--	---

All the participants are advised to quote duly considering the all terms and conditions of tender document.
