Section Online**Chapter -1****E-TENDERING INSTRUCTIONS TO TENDERERS****1. This tender is processed as E-Tender****2. Submission of Bids only through online process is mandatory for this Tender**

E-Tendering is a new methodology for conducting Public Procurement in a transparent and secured manner. Now, the Government of India has made e-tendering mandatory. Suppliers/ Vendors will be the biggest beneficiaries of this new system of procurement. For conducting electronic tendering, RailTel has decided to use the portal <https://www.ireps.gov.in>, Indian Railways E-procurement system (IREPS).

Benefits to Suppliers are outlined on the Homepage of the portal. Bidders are advised to visit the IREPS Portal for details related to E-Tender i.e., Registration, FAQ, Helpdesk, Learning Center etc.

3. Tender Bidding Methodology:

Sealed Bid System - 'Single Stage - Single Envelope': In this, bidder has to submit the Technical as well as financial bid / Price Bid in single envelope **"ONLINE"**.

IREPS Helpdesk

Please visit Helpdesk section on IREPS Portal.

RailTel's Contact Person & Designation

Mr. J.K.Mishra,

Jt. GM/POM/SR

Mobile : 9008095405 E-Mail Id: jkmishra@railtelindia.com

The entire bid-submission would be online on IREPS Portal.

4. Broad outline of submissions are as follows:

- I. Submission of Tender fee & Earnest Money Deposit (EMD) through IREPS portal
- II. Submission of digitally signed copy of Tender Documents/Addenda
- III. Tenderer has to upload both Technical and Financial bid as Single Packet on IREPS
- IV. Online response to Terms & Conditions of Tender.

NOTE: Bidder must ensure that the bid must be successfully submitted online as per instructions of IREPS Portal.

5. Submission of Eligibility Criteria related documents: Eligibility criteria related documents viz. Technical & Financial Credential certificates and other documents as applicable shall be scanned and submitted ONLINE. Bids Uploaded without mandatory documents like eligibility criteria and other mandatory documents on IREPS Portal will be summarily rejected. However, RailTel reserves the right to obtain original documents from the bidder. The bidder has to submit the same on request of RailTel.

NOTE: In case of internet related problem at a bidder's end, especially during 'critical events' such as – a short period before bid-submission deadline, during online public tender opening event, during e-auction, it is the bidder's responsibility to have backup internet connections

In case there is a problem at the e-procurement/ e-auction service provider's end (in the server, leased line, etc) due to which all the bidders face a problem during critical events, and this is brought to the notice of

RailTel by the bidders in time, then RailTel will promptly reschedule the affected event(s). All the Tenderers are advised to upload the bids well in advance before the tender closing time.

6. Instructions for Tender Document TO THE BIDDERS

The RailTel Tenders are published on www.railtelindia.com and on IREPS Portal <https://www.ireps.gov.in/> and CPP Portal. However, Tenderers should submit their bid through IREPS Portal only.

NOTE: For online bid submission the bidder will have to necessarily download an official online copy of the tender documents from IREPS portal, and this should be done well before the deadline for bid-submission.

7. Submission of Offers and Filling of Tender:

This e-tender should be duly submitted online using the e-Procurement Portal <https://www.ireps.gov.in/>. For detailed instructions please refer to IREPS Portal.

8. Fax Quotations & Late Tenders: Fax Tender documents, Offline Tender Bids and Late/Delayed tenders would not be considered.
9. Attendance of Representatives for Tender Opening: Representatives of bidders desirous to attend the tender opening can do so, on production of a proper letter of authority from the respective firm, failing which they may not be allowed to attend the tender opening. Authorized representatives of those firms who have submitted the tender documents alone shall be allowed to attend the tender opening.
10. Addenda / Corrigenda: Addenda / Corrigenda to the tender documents may be issued by RailTel prior to the date of opening of the tenders, to clarify or reflect modifications in the contract terms and conditions or in the design. Such addendum/corrigendum shall be available on IREPS Portal only. Bidders who are unable or unwilling to bring their tenders to conform to the requirements of the RailTel are liable to be rejected. The information of Corrigendum/Addenda shall be published on RailTel website and CPP Portal also. Prospective bidders are advised to check the website periodically for updates.
11. Ambiguity/ Pre- Bid Clarification Requests:
If there is any ambiguity or doubt as to the meaning of any of the tender clauses/ conditions or if any additional information required, the matter should immediately be referred to the RailTel in writing through emails to RailTel Contacts defined above. All clarification shall be responded through email.
12. Bid submission and Opening date
 - 12.1. The bid should be submitted online along with Credential/Techno commercial & Price bid document (all documents).
 - 12.2. Power of attorney in favor of the signatory duly authorizing the signatory shall be submitted in online in IREPS Portal.
 - 12.3. The bidder's bids will be opened at the time & date of opening of the tender given in the Bid Data Sheet (BDS) online simultaneous in presence of such Bidders/ Representatives who choose to be present online. The Tenders/Representatives can also choose to be physically present in the office of RailTel for the Online Public Tender Opening Event.
 - 12.4 Notarized Affidavit as per Tender Document and all other documents as per requirement shall be submitted Online Only.

13. Other Instructions

For further instructions, the vendor should visit the home-page of the portal (<https://www.ireps.gov.in>), and go to the User-Guidance Center.

14. Additional Instructions: Please note

For E-Tendering bids /information by bidders is to be submitted "Online" on IREPS's e-Procurement Portal. Any document / information pertaining to this chapter will have to be submitted by the bidder on line. The digital signature of the tenderer on the e-tender form will be considered as confirmation that the tenderer has read, understood and accepted all the documents.

All columns should be filled and blank columns if any should be marked as NIL.

Please read the Schedule of Requirements, Instructions to the tenderers, General and Special Conditions including Technical Specifications before filling up the Tender Form carefully.

SECTION – I Chapter -1

Preamble

- 2.5 SACFA/WPC clearances.

- 3. Tender Bid** The tender bid shall be submitted online on IREPS Portal only.

- Schedule of Requirements (SOR):** The **SOR** are **Schedule items** for which Tenderer shall quote a percentage (both in figures and in words) as per format given at the end of SOR.

- Tenderers are required to read the following instructions carefully.**

- 5.1 **Validity of the Contract** shall be 3 (Three) months from the date of issue of LOA/PO but can be extended for further period on the same terms & conditions.
- 5.2 The work awarded to the Contractor shall be executed strictly as per technical specification of the tender document.
- 5.3 The rates of SOR should be quoted in percentage (**above/ below/at par**).
- 5.4 Timely completion of the work is the essence of the contract and paramount importance to RailTel, and any extension would be considered only in exceptional circumstances.

- 5.5 In case the contractor fails to execute the work in specified time the penalties will be imposed as per the tender conditions. RailTel reserves the right to terminate the work order after issue of 7 days' notice. The security deposit submitted by the contractor will be forfeited if the work order is terminated on contractors' account. RailTel may also delete the name of such contractor from the approved list of contractors.
- 5.6 Liquidated damages shall be imposed at the rate of 0.5 % per week or part thereof (rounded off to the nearest whole number) of the total value of the contract/work order, subject to a maximum of 10% of the value of the contract/work order.
6. **Tender offers:** The tenderers are required to quote percentage rate on IREPS Portal. The quote shall be in figures and words. If there is any discrepancy in the quoted rate between figures and words, the rate quoted in words will be taken as final.
7. **Cost of Tender document:** Rs. 1770/- (inclusive of **GST@18%**) towards cost of tender document to be submitted online through IREPS Portal. ***# please see cl.no.5.8 of instructions to tenderers regarding exemption for submission of cost of tender and & EMD.**
8. **Qualifying Criteria** For participating in the tender, the contractor shall be required to meet the eligibility requirements as given in **Para 15 of Chapter-1 of Section-II** (Instructions to Tenderers and Conditions of Tendering) of the tender document.
9. **Last date of Submission:** The tender shall be uploaded up to 15.00 hrs. of 19-01-2023 on IREPS Portal.
10. **Date of Opening of Tender:** The tender will be opened at 15.30 hrs. on 19-01-2023 on IREPS Portal at the same address as mentioned above.
11. **Completion period: The Completion time of the total Project is 3 Months.** The first tower to be handed over in all respects to RailTel in 1 months' time since award of the contract. Then each tower month wise i.e. 2nd Tower by 2nd Month and 3rd Tower by 3rd month after issue of LOA.
12. Address to which correspondence and documents relating to the **Contract** should be sent:
- RailTel Corporation of India Ltd, 6th Floor, Gumidelli Towers, Begumpet Airport Road, Begumpet, Hyderabad -500016
 - Earnest Money:** Tenderer shall deposit Earnest Money as detailed in a manner prescribed in **Para 5 Chapter I Section II**
13. **Security Deposit: @5% of contract value will be deducted from contractors on account bills** on receipt of Letter of Acceptance of Tender from the RailTel, the successful tenderer shall, in terms of **Para-3 of Special Conditions of Contract (Section II Chapter 2)** towards Security Deposit for due fulfillment of contract.
14. **PBG:** On receipt of Letter of Acceptance of Tender from the RailTel, the successful tenderer shall, within a period of 30 days, deposit in favor of RailTel Corporation of India Limited, Secunderabad an amount in terms of **Para-3 of Special Conditions of Contract (Section II Chapter 2)** towards Performance Bank Guarantee for due fulfillment of contract.
15. **Specifications:** Reference of specifications of the important equipment and materials required for execution of the contract is given in the Technical Specification (**Section III chapter 2** of tender document). The work shall be executed in compliance with all the technical requirements given therein.
16. **Schedule of Requirement:** The various items to be supplied and works/services to be provided by the tenderer are indicated in Schedule of Requirement as enclosed to this preamble (**Section I Chapter 2**). The tenderer is advised to quote percentage both in figures and words. The make and model of all the equipment proposed to be supplied must be indicated by the tenderer/s in the Schedule of Requirement.
17. **As made drawings:** as per specification if any
18. **Materials to be supplied by Contractor:** All materials including the materials covered under the Schedule of Requirement and those required to achieve the end objective as required are to be supplied by the contractor.
19. As a good tender practice, the tenderer is expected to submit giving all the information in the relevant forms attached as Annexure to this document and suitably numbering each page of the bid documents

with a content list indicating availability of various documents with their serial numbers. In the absence of numbering of pages and the content list, there is a likelihood of any important document going unnoticed for which the tenderer shall be solely responsible.

20. Maintenance Support: The tenderer should submit their strategy for providing maintenance support during maintenance, warranty and post warranty period.
21. Tender should be submitted for the entire work. Before quoting, the Tenderer are advised to ascertain the nature of work involved. If required site inspection can be undertaken. The submission of tender will be deemed to imply that this memorandum and all documents enclosed have been studied and understood and the tenderer is aware of the full scope of the work to be done and the conditions affecting the execution.
22. In all matters, decision of Executive Director/Regional General Manager (Southern Region), RailTel Corporation of India Ltd, Secunderabad, will be final.
23. The Bidder should not be blacklisted/debarred/banned by any Central Govt./Union Govt./State Govt. / any PSU as on date of submission of the Bid.

CHAPTER-1

INSTRUCTIONS TO TENDERERS AND CONDITIONS OF TENDERING

1. GENERAL INSTRUCTIONS

Tenders are invited on behalf of M/s. RailTel Corporation of India Limited, Secunderabad -500016 from established and reliable contractors for the work of "Fabrication, Supply and Erection of 40 Mtr tubular lattice three-legged self-supporting Ground Based tower including Survey and Foundation work" for SC Division of South Central Railway.

1.1 The Special Conditions of Contract, Instructions to Tenderers and Conditions of Tendering, Technical Specifications & Supplement, Preamble including Schedule of Requirements and all Annexure & Forms etc. shall, hereafter, be collectively referred to as the "**Tender Papers**".

1.2 **Tender offer:** The tenderer(s) are required to quote **percentage rate** i.e., Below/At Par/Above over SOR in IREPS Portal.

2. INTERPRETATIONS

The following terms wherever occurring in the tender papers and wherever used throughout the execution of the work, shall, unless excluded by or repugnant to the context, have the meaning attributed thereto as follows:

"**CONTRACT**" Means the Contract resulting from the acceptance by the Purchaser of this Tender whether in whole or in part.

"**CONTRACTOR**" Means the successful Tenderer, i.e., the Tenderer whose Tender has been accepted either in whole or in part.

"**CONTRACTOR'S REPRESENTATIVE**" Shall mean a person in supervisory capacity who shall be so declared by the Contractor and who shall be authorized under a duly executed power of attorney to receive materials issued by the Purchaser to the Contractor for the works. He shall be responsible for proper execution of works at each or all places and shall take orders from Purchaser's Engineers and carry out the same.

"**ENGINEER / ENGINEER-IN-CHARGE**" Shall mean an executive of RailTel In-charge of works and shall include the superior executives of RailTel. He is responsible for ensuring that all field works covered by the contract are carried out in accordance with approved designs, drawings & specifications and conditions of contract as agreed to.

"**ENGINEER'S REPRESENTATIVE**" Shall mean the supervisor of RailTel in direct charge of the works.

"**EQUIPMENT**" Means all or any equipment considered necessary by the Purchaser's Engineers for satisfactory operation, as a whole, of the installations.

"**MONTH**" Means any consecutive period of thirty days.

"**MATERIALS**" Means all equipment, components, fittings and other materials including raw materials required to complete the work.

"**PURCHASER**" Means M/S RailTel Corporation of India Limited, Begumpet, Secunderabad – 500016.

"**PURCHASER'S ENGINEER**" Means the Executive Director/Regional General Manager of RailTel or successor who will decide all matters relating to design, manufacture, installation and commissioning of the plant and equipment at site

"**SUB-CONTRACTOR**" Means an individual or a firm of Contractor or a Company registered under Indian Company Act or an approved supplier of materials to whom the Contractor sublets portions of the contract.

"**CONSIGNEE**" Means the person specified in the Acceptance of Tender to whom Stores are to be delivered at the destination.

"**INSPECTING OFFICER**" Means the person, or organization specified in the contract for the purpose of inspection of stores of work under the contract and includes his/their-authorized representative.

"**RailTel**" Means M/s. RailTel Corporation of India Limited, Southern Region, 6th floor, Gumidelli towers,

Begumpet, Hyderabad-16.

"SITE" Means the areas to be taken up by the permanent works, together with any other area or areas as shall be determined by the Purchaser's Engineer, which may be placed at the disposal of the Contractor for the purpose of the contract and also such area or areas used for store yards, works yards or workshop in proximity of the works as the Purchaser's Engineer may have authorized as an extension of the site, irrespective of the terms and conditions under which they are occupied by the Contractor.

"BLOCK SECTION" Means the distance along the railway track between two consecutive Railway Block stations.

"TENDERER" Means and includes any firm of engineers or Contractors or any company or body, corporate or otherwise, who submit the Tender which has been invited.

"WORK OR WORKS" Means all or any of the items of the work for which the Tenderer /Contractor has Tendered/contracted according to the specifications, drawings and Annexure hereto annexed or to be implied there from, or incidental thereto or to be hereafter specified or required in such explanatory instructions and drawings, being in conformity with the original specifications, drawings, Annexure and schedules and also such instructions and drawings additional to the aforementioned as may from time to time be issued by the Purchaser's Engineer during the progress of the contracted work.

"WRITING" Includes all matters written, typewritten or printed either in whole or in part.

3. LOCAL CONDITIONS

- 3.1 It will be imperative on each tenderer to fully acquaint himself with all the local conditions and factors, which would have any effect on the performance of the contract and cost of the stores. The purchaser shall not entertain any request for clarifications from the tenderer regarding such local conditions. No request for the change of price or time schedule of delivery of stores shall be entertained after the offer is accepted by the purchase on account of any local condition or factor.
- 3.2 The intending tenderer is advised to study the tender papers carefully. Any submission of a quotation by the tenderer shall be deemed to have been done after a careful study and examination of these documents with full understanding of the implication thereof. These conditions and specifications shall be deemed to have been accepted unless otherwise, specifically commented upon by the Tenderer in his quotation. Failure to adhere to anyone or all these instructions may render his offer liable to be ignored without any reference.
- 3.3 Should a tenderer find discrepancies in, or omission from, the drawings or any of the Tender papers or he has any doubt to their meaning, he should at once notify the RailTel who may send a written clarification to all tenderers.

4. COMPLIANCE TO TENDER CONDITIONS, SPECIFICATIONS & DRAWINGS

- 4.1 The tenderer shall indicate paragraph by paragraph for each section of the tender document that either his tender complies in every respect with the requirements of each clause and sub clause or if not, precisely how they differ from the requirements of the tender. In later case, the tenderer shall enclose a separate statement as per proforma given, indicating only the deviations for any clause or sub clause of Special Conditions of Contract, Instructions to Tenderers and Conditions of Tendering, Technical Specifications, Preamble etc. which he proposes with justifications for deviations proposed. The purchaser reserves the right to accept or reject these deviations and his decision thereon shall be final (see Form 5).
- 4.2 The equipment offered shall be in accordance with the drawings and specifications. Details of variation from the drawings and specifications, if any, should be clearly indicated separately for each annexure with justification for deviations proposed. The Purchaser reserves the right to accept or reject these deviations and his decision thereon shall be final.
- 4.3 Firms should give details of similar works carried out giving details of the name of the project, date of award, length of the section, value of the contract, the original execution period and the actual execution time taken.

5 EARNEST MONEY DEPOSIT (EMD)

- 5.1 The tenderer shall submit an amount mentioned as below as earnest money in favor of RailTel Corporation of India Limited, Secunderabad, payable at Secunderabad through IREPS portal online only:

Tender No	Area of Work	Tender Estimated Value inclusive of GST@18%	EMD* (In Rs)
RCIL-SR-SC-22-23-163	Secunderabad- Lingampalli Section of Secunderabad Division of South Central Railway	Rs.1,38,58,448/-	2,77,200/-*

No bank guarantee for EMD is accepted. Tenders without earnest money will be summarily rejected*. However, please refer cl.no.5.8 given below for exemption of submission of EMD. No interest is allowed on this Deposit and RailTel Corporation reserves the right to forfeit the Earnest Money Deposit in case of failure on part of the contractor to fulfill the conditions of contract. The tenderers shall hold the offer open till such date as specified in Para 9 of this chapter. It being understood that the tender documents have been downloaded by the tenderer and the tenderer has been permitted to tender in consideration of the stipulation on his part that after submitting his tender he will not rescile from his offer or modify the terms and conditions thereof in a manner not acceptable to RailTel. If the tenderer fails to observe or comply with the foregoing stipulation, the aforesaid amount deposited as Earnest Money shall be liable to be forfeited by the RailTel

5.3 The earnest money may be forfeited:

- 5.3.1 If a tenderer withdraws its tender during the period of tenders validity specified in Clause 9 of Instructions to Tenderers and Conditions of Tendering.
- 5.3.2 In the case of successful tenderer, if the tenderer fails to Sign the contract in accordance with clause 2 of Special Conditions of Contract.
- 5.3.3 To furnish performance guarantee in accordance with clause 3.1 of Special Conditions of Contract.
- 5.4 The earnest money of unsuccessful tenderer will be returned within reasonable time to the unsuccessful tenderer but the RailTel shall not be responsible for any loss or depreciation that may happen to the security for the due performance of the above stipulation to keep offer open for the period specified in the tender documents or to the Earnest Money while in their possession nor be liable to pay interest thereon.
- 5.5 If the tender is accepted, the amount of Earnest Money will be held as security deposit for due and faithful fulfillment of contract. The Earnest Money of successful tenderer will be returned after the Contract Performance Guarantee (Security Deposit) as required under para 3 of Special Conditions of Contract is furnished and formal contract duly signed is received by the purchaser.
- 5.6 If the tenderer deliberately gives wrong information in his/her tender or creates such circumstances for the acceptance of his/her tender, then RailTel reserves the right to reject such tender at any stage. In case credential certificate(s) submitted by the contractor are found to be incorrect, the EMD deposited shall be forfeited in respective tenders he has quoted and he will be barred from quoting in RailTel tenders for a period of 5 Years.
- 5.7 If a Tenderer expires after the submission of his tender or after the acceptance of his tender, the RailTel shall deem such tender as cancelled. If a partner of a firm expires after the submission of their tender or after the acceptance of their tender, the RailTel shall deem such tender as cancelled, unless the firm retains its character

5.8 #*For UDYAM registered firm

For Small Scale Units / Micro Small Enterprises/ MSME registered with UDYAM under Ministry of MSME and participating in this tender, following exemptions shall be available

- (i) They shall be exempted from submission of cost of tender documents (if applicable).
- (ii) They shall also be exempted from depositing Earnest money.

These exemptions shall be applicable provided Tenderer registered with UDYAM. Firms claiming these exemptions are required to submit along with their offer, a copy of their current and valid UDYAM registration certificate, otherwise their offer would not be considered, will be treated as invalid and summarily rejected.

(iii) As mentioned in Section 7(4) of Ministry of MSME's Notification No. S.O2119 (E) dated 26th June, 2020, an enterprise registered with any other organization under the Ministry of MSME shall register itself under Udyam Registration. With effect from 01.07.2020, MSEs registered under Udyam Registration are eligible to avail the benefits under the Policy.

(iv) However, traders/ distributors/ sole agent/ Works Contract are excluded from the purview of Public Procurement Policy for MSEs Order, 2012. Further, as mentioned in O.M. No. 5/2(2)/2021-E/P & G/Policy dated 02.07.2021, Retail and Wholesale traders can register on Udyam Registration Portal for the purpose of Priority Sector Lending (PSL) only. **Accordingly, in Udyam site if it is mentioned as below:**

Then, the tenderer submitted Udyam certificate showing above in Udyam site will not be considered for exemption of cost of tender and EMD and their tender will be summarily rejected

6 SUBMISSION OF OFFERS

- 6.1 All offers in the prescribed forms should be submitted before the time and date fixed for the receipt of the offers. Offers received after the stipulated time and date will be summarily rejected.
- 6.2 In case the date of opening happens to be a holiday, the tender will be received and opened at the same time on the **next working day**.
- 6.3 The original documents which have been uploaded on IREPS Portal shall be produced for verification when called for as per requirement.
- 6.4 All copies of the tender papers shall be signed by the tenderer, on each page including closing page in token of his having studied the tender papers carefully.
- 6.5 **RATES IN FIGURES & WORDS: -**
 - 6.5.1 All prices and other information like discounts etc., having a bearing on the price shall be written both in figures and in words in the prescribed offer form. In case of difference in words and figures the amount written in words will be taken into consideration.
 - 6.5.2 In the event of any discrepancy between unit rate and total cost, the value shown in unit rate will be taken for evaluation purpose.
 - 6.5.3 In case the schedule of requirement quoted by tenderer is incomplete with reference to tender document, the offer is liable to be rejected.

- 6.6 ATTESTATION OF ALTERATION:** No scribbling is permissible in the tender documents. Tender containing erasures and alterations in the tender documents are liable to be rejected. Any correction made by the tenderer/tenderers in his/their entries must be signed (not initialed) by him/them.
- 6.7 The bid shall consist of the following:**
- i) Offer letter complete. (Form No.1)
 - ii) Schedule of works (i.e., Schedule of Requirements) with rate and total amount duly digitally signed by the tenderer in figures and words.
 - iii) Earnest Money in prescribed form
 - iv) Solvency Certificate -deleted
 - v) Constitution of Firm and Power of Attorney & Certificate of Incorporation
 - vi) Clause wise compliance to tender conditions & statement of deviations (Para 4). Form No.5
 - vii) Similar works executed or under execution. Form No. 10
 - viii) User's Certificate Form No. 2
 - ix) Any other information desired to be submitted by the tenderer.
 - x) Complete tender document duly digitally signed in all pages including above
- 7. CONSTITUTION OF FIRM AND POWER OF ATTORNEY**
- 7.1** Any individual(s) signing the tender or other documents connected therewith should specify whether he is signing: -
- (a) As sole proprietor of the concern or as attorney of the sole proprietor.
 - (b) As a partner or partners of the firm.
 - (c) As a Director, Manager or Secretary in the case of Limited Company duly authorized by a resolution passed by the Board of Directors or in pursuance of the authority conferred by Memorandum of Association
- 7.2** In the case of a firm not registered under the Indian Partnership Act, all the partners or the attorney duly authorized by all of them should sign the tender and all other connected documents. The original Power of Attorney or other documents empowering the individual or individuals to sign should be furnished to the Purchaser for verification, if required.
- 7.3** The RailTel will not be bound by Power of Attorney granted by the tenderer or by the changes in the composition of the firm made subsequent to the execution of the contract agreement.
- 7.4** In case where the Power of Attorney partnership deed has not been executed in English, the true and authenticated copies of the translation of the same by Advocate, authorized translators of Courts and Licensed Petition Writers should be supplied by the Contractor(s) while tendering for the work.
- 7.5** The duly notarized Power of Attorney, Partnership Deed, Memorandum of Joint Venture as the case may be in original or duly signed.
- 8. UNIT / PERCENTAGE PRICES:** The unit/percentage prices should be quoted by the Contractor after taking all the relevant factors into consideration and these should be Firm and all-inclusive without any variation clauses. The prices shall be quoted in rupees for the units under metric system. Reference may be made Special Conditions of Contract (Chapter II Section II). The prices shall be inclusive of all taxes and statutory payments.
- 9. VALIDITY OF OFFER PER TENDER:** The tenderer shall keep the offer open for a minimum period of 60 (Sixty) days, from the date of opening of tender. Within that period the tenderer cannot withdraw his offer subject to the period being extended further, if required, by mutual agreement from time to time. Any contravention of the above condition will make the tenderer liable for forfeiture of his Earnest Money.
- 10. RATES DURING NEGOTIATION:** The tenderer/s shall not increase his/their quoted rates in case the RailTel Administration negotiates for reduction of rates. Such negotiations shall not amount to cancellation or withdrawal of the original offer and the rates originally quoted will be binding on the tenderer/s.

11. **PERIOD OF COMPLETION AND TIME PROGRESS GRAPH:** The works/work are/is to be completed within a period as mentioned in preamble at para 11.
12. **NON-TRANSFERABILITY AND NON-REFUNDABILITY:** The tender documents are not transferable. The cost of tender document is not refundable.
13. **ERRORS, OMISSIONS & DISCREPANCIES:** The Contractor(s) shall not take any advantage of any misinterpretation of the conditions due to typing or any other error and if in doubt shall bring it to the notice of the Engineer without delay. In case of any contradiction only the printed rules, and books should be followed and no claim for the misinterpretation shall be entertained.
14. **WRONG INFORMATION BY TENDERER:** If the tenderer/s deliberately gives/give wrong information in his/their tender which creates/create circumstances for the acceptance of his/their tender the RailTel reserves the right to reject such tender at any stage.

15. QUALIFYING CRITERIA PER TENDER:

15.1 General: all the supporting documents shall be self-attested by Tenderer for their consideration.

15.1.1 Qualifying criteria under this para lays down minimum acceptable qualifications in various areas to ensure that qualified bidder has necessary experience, technical expertise, equipment and financial and human resources to successfully complete the project. In case of a consortium bid the qualification document details etc. must be provided for each member of consortium.

15.1.2 If the tenderer proposes to buy any equipment from other suppliers/ sources, documents indicating the willingness to supply the equipment and provide technical support to the tenderer that may be required during installation, commissioning and warranty period and later on directly to the RailTel, shall be included in the tender.

15.1.3 The tenderer should submit the details of experience of similar works or services in the projects executed / under execution which should clearly bring out expertise in the equipment manufacture or installation etc. as per form no. 10.

15.1.4 For supply of critical materials, the contractor, if he is not a manufacturer, shall submit a certificate from the manufacturer, whose material he intends to supply to the effect that the manufacturer is willing and capable to supply the material in time so as to enable the contractor to complete the work within the time frame mentioned in the contract.

15.1.5 The tenderer/s must submit along with his/their tender, certificates from the original user for whom the project was undertaken certifying the date of award of contract, date of completion, date of commissioning and the present working state of the system so established. The tenderer shall submit these certificates for all the projects that he has executed which only satisfy the minimum requirements in each case. **The certificates are to be uploaded on IREPS Portal by the tenderer to contain the information as per form no. 2.**

15.2 Technical Capability:

The tenderer must have successfully completed any of the following during last 07 (seven) years, ending last day of month previous to the one in which tender is invited:

- 1.1 Three similar works each costing not less than the amount equal to 30% of advertised value of the tender, or
- 1.2 Two similar works each costing not less than the amount equal to 40% of advertised value of the tender, or
- 1.3 One similar work each costing not less than the amount equal to 60% of advertised value of the tender.

Note: Work experience certificate from private individual shall not be considered. However, in addition to work experience certificates issued by any Govt. Organization, PSU, any reputed TELCO or OEM of Railways

KAVACH Manufacturers, work experience certificate issued by Public listed company having average annual turnover of Rs 500 crore and above in last 3 financial years excluding the current financial year, listed on National Stock Exchange or Bombay Stock Exchange, incorporated/registered at least 5 years prior to the date of opening of tender, shall also be considered provided the work experience certificate has been issued by a person authorized by the Public listed company to issue such certificates.

In case tenderer submits work experience certificate issued by public listed company, the tenderer shall also submit along with work experience certificate, the relevant copy of work order, bill of quantities, bill wise details of payment received duly certified by Chartered Accountant, TDS certificates for all payments received and copy of final/last bill paid by company in support of above work experience certificate).

15.3 Financial:

15.3.1 The tenderer must have received contractual payments in the previous three financial years and the current financial year up to the date of inviting of tender, at least 150% of the advertised value of the tender. The tenderers shall submit Certificates to this effect which may be an attested Certificate from the concerned department / client or Audited Balance Sheet duly certified by the Chartered Accountant/Certificate from Chartered Accountant duly supported by Audited Balance Sheet.

(Note: Client certificate from other than Govt. Organization should be duly supported by Form 16A/26AS generated through TRACES of Income Tax Department of India).

Plant & machinery: The tenderer should furnish the details of the machinery and plant to be deployed.

16. MEANING OF SIMILAR WORKS: Works similar to the scope of work as contained in this tender shall mean that

“Fabrication, Supply and Erection of Ground Based Tower of at least 40 mtr. height”

should form sizable part of the total work executed for Govt. / Public Sector or for reputed private sector telecom service providers/Infrastructure Provider/ Railway KAVACH OEM.

16.1 System of Verification of Tenderer's Credentials:

- i. The tenderer shall submit along with the tender document, documents in support of his/their claim to fulfil the eligibility criteria as mentioned in the tender document. Each page of the copy of documents/certificates in support of credentials, submitted by the tenderer, shall be self-attested/digitally signed by the tenderer or authorized representative of the tendering firm. Self-attestation shall include signature, stamp and date (on each page). Only those documents which are declared explicitly by the tenderer as “documents supporting the claim of qualifying the laid down eligibility criteria”, will be considered for evaluating his/their tender
- ii. **The tenderers shall submit a notarized affidavit** on a non-judicial stamp paper stating that they are not liable to be disqualified and all their statements/documents submitted along with bid are true and factual. Standard format of the affidavit to be submitted by the bidder is enclosed as Annexure-A. Non submission of an affidavit by the bidder shall result in summary rejection of his/their bid. And it shall be mandatorily incumbent upon the tenderer to identify, state and submit the supporting documents duly self-attested by which they/he is qualifying the Qualifying Criteria mentioned in the Tender Document. It will not be obligatory on the part of the RailTel to scrutinize beyond the submitted document of tenderer as far as his qualification for the tender is concerned.
 - a) **The RailTel reserves the right to verify all statements, information and documents submitted by the bidder in his tender offer, and the bidder shall, when so required by the RailTel, make available all such information, evidence and documents as may be necessary for such verification. Any such verification or lack of such verification, by the RailTel shall not relieve the bidder of its obligations or liabilities here under nor will it affect any rights of the RailTel thereunder.**

- b) In case of any wrong information submitted by the tenderer, the contract shall be terminated, Earnest Money Deposit (EMD), Performance Guarantee (PG/PBG) and Security Deposit (SD) of contract forfeited and agency barred for doing business on entire RailTel for 5 (five) years.

17. **SYSTEM PERFORMANCE GUARANTEE:** The tenderer shall give unqualified and unconditional guarantee that when the equipment / material supplied by him is installed and commissioned at site, it shall achieve the desired objective and that in the event of performance of the system when installed not complying with the end objective or with the specifications, he shall provide further inputs to enable the RailTel to realize the end objectives with full compliance of the specifications contained in these documents. No additional payment will be made to the contractor for supply of any additional goods and service required in this regard.
18. **AUTHORITY OF ACCEPTANCE:** The authority for the acceptance of the tender rests with the Purchaser. The tenders received will be evaluated by the Purchaser to ascertain the best acceptable tender in the interest of the Purchaser.
However, the purchaser shall not be bound to accept the lowest or any tender or to assign any reason for non-acceptance or rejection of a tender. The purchaser reserves the right to accept any tender in respect of the whole or any portion of the work specified in the tender paper or to sub-divide the work among different Tenderers or to reduce the work or to accept any tender for less than the tendered quantities without assigning any reason whatsoever.
19. **AGREEMENT:** The successful tenderer/s shall be required to execute an agreement with the representative of RailTel for carrying out the work according to the tender documents as indicated in para 2 of Special Conditions of Contract (Section II Chapter II).
20. **TENDERER'S ADDRESS:** Tenderer shall state in the tender his postal address fully and clearly. Any communication sent to the tenderers by post at his said address shall be deemed to have reached the tenderer duly & timely, notwithstanding the fact that the communication could not reach the tenderer at all or in time for whatever reason. Important documents shall be sent by Registered Post.
21. **EVALUATION OF OFFER**
The authority for the acceptance of the tender rests with the Purchaser. The tenders received will be evaluated by the Purchaser to ascertain the best acceptable tender in the interest of the Purchaser.
However, the purchaser shall not be bound to accept the lowest or any tender or to assign any reason for non-acceptance or rejection of a tender. The purchaser reserves the right to accept any tender in respect of the whole or any portion of the work specified in the tender paper or to sub-divide the work among different tenderers or to reduce the work or to accept any tender for less than the tendered quantities without assigning any reason whatsoever.
22. **AMENDMENT OF TENDER DOCUMENT**
- 22.1 RailTel may modify the Tender Document by issuing ADDENDA/CORRIGENDA
- 22.2 Tenderers are advised to submit the tender well in advance before the stipulated time. It is the responsibility of the Tenderer to check any correction, or any modifications (addenda/corrigenda) published subsequently on Web site and the same shall be taken into account while submitting the tender.
- 22.3 To give prospective bidders a reasonable time to take ADDENDUM/CORRIGENDUM into account in preparing their bids, the RailTel may at their discretion extend as necessary, the deadline for submission of Tender document.
- 22.4 The materials that shall be handed over to the Contractor at any time for execution of work shall depend upon the particular item of work in the schedules to be done at a particular time and also the progress of work. The contractor shall furnish Indemnity Bond for a sum equal to the cost of materials proposed to be taken by him. The quantity of materials that shall be given by the RailTel at any time shall not exceed the value of Indemnity Bond that is furnished by the Contractor.
- 22.5 Materials issued to the contractor shall be used solely and economically for the purpose of work covered by this contract only. The materials shall be used in such quantities and proportions as are indicated in Schedule or in the relevant specifications or drawings or as approved by the Engineer

whose decision thereon shall be final. Wastage or damage to such materials in any manner shall be avoided.

- 22.6 The contractor shall be liable to render fully accountable for all the materials issued by the RailTel. If any quantity of RailTel materials is consumed in excess or wasted or damaged or lost or otherwise not satisfactorily accounted for, recovery shall be made from the contractor at twice the issued rate prevailing at the time of last issue of the materials consumed in excess or wasted or damaged or lost or not satisfactorily accounted for.
- 22.7 If at any time any materials which the contractor would normally have to arrange for himself is supplied by the RailTel either at the contractor's request or Suo-moto in order to prevent possible delay in the execution of the work due to contractor's inability to make adequate arrangements for the supply therefore or otherwise, such materials will be made available to the contractor in the RailTel's Stores Depot at Secunderabad as required for the work. All handling, subsequent thereof will be at the contractor's responsibility. Recovery of the cost of such supply will be made from the contractor's bills, as per extant rules of the RailTel. Any demurrage or other charges due on account of detention of wagons in loading or unloading will also be recovered from the Contractor.
- 22.8 If the materials mentioned in schedules, however not available in RailTel and /or decide not to supply the same, whatever be the reason, the RailTel shall not be bound to arrange for the supply, nor will this fact be accepted as an excuse for delay in the execution of the work by the contractor.
- 22.9 The quantities indicated in the schedules are approximate and will only support to convey to the contractor an idea of the magnitude of the work. The rates mentioned in Schedules are deemed to hold good for any increase in quantities up to 25%. The description of items is given as a guide and approximately only and is subject to variation according to the needs of the RailTel. The RailTel accepts no responsibility for their accuracy. Further, the RailTel does not guarantee work under each item of the Schedule.
- 22.10 Materials shall be issued to the contractor or his representative at specific depot of the stores on Production of identity card with photograph or authorization letter issued by this office. Also, indemnity bond on non-judicial stamp paper of Rs 100/- as per Performa given in Form No-6 of Chapter V will be executed and submitted to the Section Engineer in charge.

SECTION- II
CHAPTER - 2
Special Conditions of Contract

I N D E X

Para Subject

1. Tender Document
2. Agreement
3. Security Deposit
4. Contractor's Office & Stores depot
5. Use of Railway Land
6. Program of work.
7. Competent Supervisors
8. Test & Measuring Instruments, Special tools & Installation Material
9. Stores to be supplied by contractor
10. Supply of Technical Literatures, Documentation Drawings & Completion Plan etc.
11. Quality assurance
12. Inspection of materials
13. Inspection of works
14. Quantum of work and variation in Quantities
15. Subletting and assignment
16. Execution of works
17. Maintenance of works
18. Clearance of site
19. Provisional Acceptance
20. Placing in Service & Maintenance Supervision
21. Final Acceptance
22. Warranty
23. Infringement of Patents
24. License as per Govt. of India Contract Labor Act
25. Defaults and Delays
26. Loss Sustained Due to Default and Delay
27. Penalty for Delay in Completion
28. Adherence of time schedule
29. Contractors' liabilities for Costs and Damages
30. Unit prices
31. Measurement of works
32. meaning and interpretation by RailTel to be final
33. Terms of Payments
34. On account payment
35. Final Payments
36. Final Settlement
37. Certificate for MODVAT BENEFITS on bills
38. Deductions from On Account Payment Bills
39. Taxes
40. Insurance
41. Force Majeure Clause
42. Settlement of dispute and Arbitration
43. Termination of Contract

SPECIAL CONDITIONS OF CONTRACT -I**1. TENDER DOCUMENTS**

1.1 The goods and works/services required, bidding procedure and contract terms are prescribed in the tender documents. The set of tender documents issued for the purpose of bidding includes the following together with any addendum and corrigendum thereto.

Section-I: Preamble along with schedule of requirements, annexure etc.

Section-II: I) Instructions to tenderers and conditions of tendering.

II) Special conditions of contract.

III) Forms of Tender and annexure etc.

Section-III: I) 25KV AC Traction and General Scheme.

II) Technical Specifications and instructions

III) Inspection Format

Section-IV I) DRAWINGS.

1.2 If the Tender submitted by a Tenderer is accepted and the contract awarded to the Tenderer the various works coming under the purview of the contract shall be governed by tender documents mentioned above.

1.3 Any special conditions stated by the Tenderer in the covering letter submitted along with the tender shall be deemed to be a part of the Contract to such extent only as have been explicitly accepted by the RailTel.

2. AGREEMENT

The successful Tenderer shall within 30 days after having been called upon by notice to do so be bound to execute an agreement based on accepted rates and conditions, in such form as the RailTel may prescribe, and lodge the same with the RailTel together with the conditions of contract, specifications and Schedule of prices referred to therein duly complete. The form for agreement is included in Section II, Chapter III (Form No.3).

3. SECURITY DEPOSIT

3.1.1 The security deposit amount will be equal to 5% of contract value for due fulfillment of the contract.

3.2 The Earnest Money already paid by the successful Tenderer (see Clause 5 Chapter-I Section-II Instructions to Tenderers and Conditions of Tendering) will be adjusted towards payment of this Security deposit

3.3 Balance amount towards SD shall be recovered from the contractor's "on account" bills as under:

(a) The rate of recovery should be at the rate of 10% of the bill amount till 5 % contract value is achieved.

(b) Security Deposit shall be released after satisfactory completion of the warranty period (clause no 2 of SCC-II) and on issue of **Final acceptance certificate of contract** as per clause no 3 of SCC-II.

(c) No interest will be payable upon the Earnest Money and Security Deposit

3.4 CONTRACT PERFORMANCE GUARANTEE (PG/PBG)

3.4.1 On receipt of the Letter of Acceptance of Tender from the RailTel, the successful Tenderer should give a Performance Guarantee in the form of irrevocable bank guarantee from any Nationalized Bank or Scheduled Bank in the Form given in Tender document amounting to **3% of the contract value**.

3.4.2 The Instruments for Performance Guarantee should be valid for Three months beyond the contract period

3.4.3 The successful tenderer shall have to submit a Performance Guarantee (PG) within 30 (thirty) days from the date of issue of Letter of Acceptance (LOA). Extension of time for submission of PG beyond

30 (thirty) days and up to 60 days from the date of issue of LOA may be given by the Authority who is competent to sign the contract agreement. However, a penal interest of 15% per annum shall be charged for the delay beyond 30 (thirty) days, i.e., from 31st day after the date of issue of LOA, a notice shall be served to the contractor to deposit the PG immediately (however not exceeding 60 days from the date issue of LOA). In case the contractor fails to submit the requisite PG even after 60 days from the date of issue of LOA, the contract shall be terminated duly forfeiting EMD and other dues, if any payable against that contract. The failed contractor shall be debarred from participating in re-tender for that work.

- 3.4.4 A separate advice of the BG will invariably be sent by the BG issuing bank to the RailTel's bank through SFMS and only after this the BG will become acceptable to RailTel. It is therefore in own interest of bidder to obtain RailTel's bank IFSC code, its branch and address and advise these particulars to the BG issuing bank and request them to send advice of BG through SFMS to the RailTel's Bank.
 - 3.4.5 Performance Guarantee shall be released after satisfactory completion of the contract period. On successful completion of all works pertains to work orders issued during the contractual period and issue of **provisional acceptance certificate of contract** as per clause no 1.1 of SCC-II, the PBG submitted in the form of BG / Demand Draft will be returned / refunded to the contractor after adjustment of any dues payable by the contractor.
 - 3.4.6 Wherever the contracts are rescinded, the security deposit should be forfeited, and the Performance Guarantee shall be encashed by RailTel.
 - 3.4.7 The balance work shall be got done independently by RailTel.
 - 3.4.8 The original contractor shall be debarred from participating in the tender for executing the balance work. If the failed contractor is a Joint Venture (JV) or a partnership firm, then every member/partner of such a firm would be debarred from participating in the tender for the balance work either in his/her individual capacity or as a partner of any other JV/partnership firm.
4. **CONTRACTOR'S OFFICE & STORES DEPOT:** The Contractor shall within ten days of issue of letter of acceptance of tender establish an office and store depot at a convenient place for receiving and storing equipment and materials and progressing field work expeditiously in consultation and with the approval of the purchaser's Engineer. He shall intimate the purchaser's Engineer address thereof to which all correspondence should be sent. Any communication sent to the contractor by post at his said address shall be deemed to have reached the contractor duly and in time. Important documents shall be sent by Registered post.
 5. **USE OF RAILWAY LAND:** Use of Railway land required by the Contractor for construction of temporary offices, quarter(s), hutments etc. for the staff and for storing materials etc., will be permitted to him/them subject to approval by Railways, if available at the charges prescribed by the Railways. The land will be restored to Railways by the Contractor(s) in the same condition as when taken over or in vacant condition as desired by the Engineer after completion of the work or at any earlier day as specified by the Engineer. Failure to do so will make the Contractor(s) liable to pay the cost incurred by the Railway for getting possession of land.
 6. **PROGRAMME OF WORK**
 - 6.1 The Contractor shall have necessary resources to execute the work so that the entire work is completed within a period as mentioned in the preamble from the date of issue of Letter of Acceptance of the tender. He shall also have necessary resources to take up the work simultaneously at more than one independent place in order to expedite the completion of work.
 - 6.2 Within a period of seven days beginning from the date of issue of Letter of Acceptance/PO of Tender the Contractor shall submit the detailed time Schedule for the execution of work based on the conditions in consultation with RailTel to the authority mentioned in the Preamble and approved by the later in writing before commencement of the work.

- 6.3 The Contractor shall be held responsible for the execution of the work according to the Program given above in full compliance of the various clauses of the technical specifications, instructions / drawings etc. Failure to comply with any of these will be dealt with as per provision laid down in Conditions of Tendering.
- 6.4 Approach roads, wherever available can be used for carting materials. While RailTel may facilitate the contractor for getting approval from the Railways, if required, for carting the material to the site, the responsibility for ensuring that the material reaches the site in time, lies entirely with the contractor. The contractor has to bear the necessary expenses for carting the material to the site.
- 6.5 The contractor will program his work in such a manner so as not to interfere in the working and movement of trains.
7. **COMPETENT SUPERVISORS:** The Contractor shall place and keep competent representatives/Supervisors /Engineers as his representative on the works who will be authorized to receive and acknowledge materials issued by the RailTel and take all orders issued by the RailTel. The said representatives shall be present at site during working hours and any written orders or instructions which the purchaser's Engineer may give to the said representatives of the contractor shall be deemed to have been duly given or communicated to the contractor.
8. **TEST & MEASURING INSTRUMENTS AND SPECIAL TOOLS ETC.**
- 8.1 Special tools & instruments required for installation and commissioning of the work as detailed in preamble shall be arranged by contractor at his own cost.
- 8.2 All tests and measuring instruments and other arrangements required for carrying out all the acceptance tests etc. shall be provided by the contractor at his own cost.
9. **STORES TO BE SUPPLIED BY CONTRACTOR:** All materials required for the execution of the contract shall be arranged and supplied by the Contractor as detailed in the scope (Preamble) so as to realize the end objective. The supply of equipment and materials shall also include required installation and other materials and documents etc., which may not be specifically mentioned herein but which are usually necessary for completing the work in all respects.
10. **SUPPLY OF TECHNICAL LITERATURES, DOCUMENTATION, DRAWINGS, INSTRUCTION BOOK & COMPLETION PLANS ETC:** The supply of equipment and materials shall include supply of two sets of printed documents from original equipment manufacturers for each equipment.
11. **QUALITY ASSURANCE:** In the event of RailTel waving off the inspection, the quality assurance department of the manufacturer shall carry out all the tests as per the specification and issue a certificate indicating clearly the test results and the adherence to the technical specifications. This is without prejudice to the purchaser's right to accept or reject the supplies if not found in conformity to its requirement
12. **FACTORY ACCEPTANCE TEST (FAT):**

All equipment materials fittings and components will be subject to inspection by the purchaser or his representative at the manufacturer's factory before dispatch and no materials shall be dispatched until these are inspected and/or approved. The materials may also be inspected by the purchaser or his representative again at the contractor's depot. Factory acceptance tests shall be carried out after review and approval of FAT procedure/documents as per bid requirements and review of Pre-Factory acceptance results & shall be conducted at the manufacturing facilities from where the respective equipment/subsystems are offered. The factory acceptance testing shall be conducted in the presence of the Purchaser/Engineer. The cost of equipment and materials, all tests and/or analysis performed for inspection shall be borne by the Contractor. The inspection charges, if any, payable to the purchaser's representative for carrying out the inspection shall

be borne by the purchaser. The tests shall be carried out on all equipment/items including those supplied by Sub-vendors and factory acceptance certificates shall be issued. The factory tests shall include but not be limited to:

- A) **Testing:**
 - i) Mechanical checks to the equipment for dimensions, inner and outer supports, finishing, welds, hinges, runways, Antenna fixtures, cables tray, painting etc.
 - iii) Check for assuring compliance with standards mentioned in the specifications.
 - v) Environment testing and other laid down tests in Type Tests plan of the specification of the equipment.
 - vi) Functional testing
 - vii) Any other test not included in FAT document but relevant to the project as desired by the Purchaser/Engineer at the time of factory acceptance testing.

The supplier/manufacturer shall send inspection call letter when the material is ready for inspection. The supplier/manufacturer shall submit along with inspection call the details of test procedures, test programs, test parameters together with permitted values, etc., and their Quality Assurance Plan.

In case material/equipment fails during inspection, the fresh lot of equipment same shall be offered without any extra cost, by the manufacturer/supplier. In such a case, total cost of re-inspection including travel, lodging & boarding of the inspecting officials shall be to manufacturer's / supplier's account.

13. INSPECTION OF WORKS: The Engineer or his representative may inspect and test the various portions of the work at all stages and shall have full power to reject all or any portion of the work that he may consider to be defective or inferior in quality of materials, workmanship or design in comparison to what is called for in the specification. In the event of rejection of any work already executed and not in accordance with specification as in this tender and/or as determined by the Engineer or which the Contractor has been apprised, the Contractor shall carry out alterations/ replacements to such works to the satisfaction of the Engineer for which no additional expenses will be borne by the RailTel.

14. QUANTUM OF WORK AND VARIATION IN QUANTITIES

The quantities indicated in Schedule of Requirements are approximate and purport to convey the tenderer an idea of the magnitude of the work. The Purchaser reserves the right to increase or decrease by up to 25 % of the quantity of goods and services specified in the Schedule of Requirement (i.e. 1 Tower with allied works) without any change in unit price of the ordered quantity or other terms and conditions.

15. SUBLETTING AND ASSIGNMENT: No sub-contracts are permitted

- a. The **Contractor** shall not sub-contract any part or the whole of the work, without the prior consent of RAILTEL. The **Contractor** may sub-contract parts of the contract, if necessary and in the interest of the project and only to sub- Contractors approved in advance in writing by RAILTEL. The **Contractor** shall be responsible for transmitting specifications and pertinent data to sub-Contractors and ensuring full compliance by them. In such cases even if written permission is given, it shall not relieve the **Contractor** from his obligations under the contract and he shall be fully responsible for all supplies / work done by his sub-Contractors. The **Contractor** shall also be exclusively responsible for the effective planning and co-ordination of the work from sub-Contractors. to ensure proper integration with all works.
- b. It shall be as per the specifications of **RAILTEL** and **RAILTEL** shall have sole discretion to withdraw its consent and have the remaining part performed or executed by any other party of RAILTEL's choice.
- c. Notwithstanding anything contained herein, RAILTEL shall have sole discretion to nominate sub-contractors for specialized activities/works or even for part of specified works, before or during the

course of Work, wherever required in the opinion of RAILTEL on account of slow progress, poor quality or Contractor's lack of sufficient mobilization.

16. EXECUTION OF WORK: All the works shall be executed in strict conformity to the provisions of the contract document and with such explanatory detailed drawings, specifications and instructions as may be approved from time to time based on detailed design and engineering carried out by contractor in line with requirements as per contract document. The contractor shall be responsible for ensuring that the work throughout is executed in the most substantial, proper and workmanlike manner with the quality of material and workmanship in strict accordance with the specifications and as per sound industrial practices and to the entire satisfaction of the RailTel.

17. MAINTENANCE OF WORKS: The contractor shall at all times during the progress and continuance of the works and also for the period of maintenance specified in the tender form and after the date of passing of the certificate of completion by the RailTel's representative or any other earlier date subsequent to the completion of the works that may be fixed by RailTel's representative be responsible for and effectively maintain and uphold in good, substantial, sound and perfect condition all and every part of the works and shall make good from time to time and at all times, as often as the RailTel's representative shall require, any damage or defect that may, during the above period, arise in or be discovered or be in any way connected with the works provided that such damage or defect is not directly caused by errors in the contract documents, act of providence or insurrection or civil riot and the contractor shall be liable for and shall pay and make good to the RailTel or other persons legally entitled thereto whenever required by the RailTel's representative so to do, all losses, damages, costs and expenses they or any of them may incur or be put or be liable to, by reason or inconsequence of the operations of the contractor or his failure in any respect.

18. CLEARANCE OF SITE: At the end of the work at each location the Contractor shall as a part of his Contractual obligation leave the area completely neat and clean.

19. PROVISIONAL ACCEPTANCE (PAC)

19.1 Immediately after the completion of the work at all Sites as per Schedule of Requirement of the Tender document the contractor shall certify and advise the purchaser in writing that the installation is (i) complete (ii) ready for satisfactory commercial service and (iii) ready to be handed over.

19.2 The test or tests specified in technical supplement (section III) will be conducted jointly by purchaser and contractor as soon as possible after receipt of advice of completion of all sites by purchaser from the contractor. The test schedule shall be finalized by mutual discussion between the contractor and M/s RailTel Corporation of India Limited, Secunderabad. Any component, modules, sub-assemblies or equipment failing during the commissioning test shall be replaced/repared free of cost by tenderer.

19.3 Purchaser's Engineer shall issue a **Provisional Acceptance certificate** for successful commissioning of entire Work at all sites in the tender covering all materials and works/services included in the Schedule of works after the final acceptance test as per the approved test procedures enumerated under para 3.26 of chapter 3 i.e., specification, have been completed and the performance has been found to meet the specifications. RailTel's decision in this respect shall be final. The Provisional Acceptance Certificate shall be signed by both the parties. The period of maintenance of works shall commence from the date of issue of Provisional Acceptance Certificate.

20. PLACING IN SERVICE & MAINTENANCE SUPERVISION

20.1 After the work has been completed & placed in service and Provisional Acceptance certificate issued by Purchaser's Engineer, the contractor shall be responsible for proper maintenance supervision of the work for a period of twenty four months from the date of commissioning.

For this purpose, he shall prepare a maintenance plan and make available the works/services of qualified maintenance engineer stationed at the location approved by Purchaser's Engineer who will guide and supervise the work of RailTel maintenance staff. The maintenance engineer of the tenderer will visit the total installation at least once in a month.

20.2 The Contractor shall inspect Earth Work after first monsoon and shrinkage etc. shall be refilled and rammed & surface brought to the original. No extra charge shall be payable for the same.

20.3 During this period of maintenance supervision if any lacuna is noticed in the functioning, as a result of any work, the contractor free of cost will rectify the same. During such rectification if any faulty materials need replacement or repair, they shall be provided by the contractor from the set of materials that the contractor should bring to the site of installation in addition to all the materials to be supplied against this contract.

21. FINAL ACCEPTANCE (FAC)

21.1 The final acceptance of the works completed shall take effect from the date of expiry of the period of maintenance supervision as defined above for which Provisional Acceptance Certificates are issued or brought into commercial operation, provided in any case that the contractor has complied fully with his obligations in respect of each item under the contract.

21.2 Notwithstanding the issue of Final Acceptance Certificate, the contractor and the purchaser (subject to Sub Clause as above) shall remain liable for fulfillment of any obligation incurred under the provision of the contract prior to the issue of Final Acceptance Certificate which remains unperformed at the time such certificate is issued and for determining the nature and extent of such obligation the contract shall be deemed to remain in force between the parties hereto.

22. WARRANTY

22.1 The work carried out and equipment supplied by the Contractor shall be guaranteed against the defects for a period of **Two years** from the date of issue of Provisional Acceptance Certificate. The contractor shall provide comprehensive warranty maintenance for all the items supplied and work carried out by him against this tender.

22.2 The replacement of defective materials supplied by contractor at site shall be undertaken by RailTel. However, incase RailTel representative is unable to rectify the defects, maintenance engineers of the contractor shall go to the site immediately on receipt of the intimation to assist RailTel representative for diagnostic and rectification of the fault. RailTel shall not bear any expenditure for any such traveling or during the maintenance and warranty period.

22.4 During the free warranty maintenance period contractor should stabilize the working of the system. RailTel has the right to extend the period of supervision of the maintenance free of cost till the system stabilizes and works satisfactorily for a reasonable period of time. If during the time any equipment etc. is to be added or deficiencies are to be rectified to make the system work trouble free the same also will have to be done by the contractor free of cost as to make good, all the deficiencies.

23. INFRINGEMENTS OF PATENTS:

(a) The Contractor is forbidden to use any patents or registered drawings, processes or patterns in fulfilling his contract without prior consent in writing of the owner of such patents, drawings, patterns or trademarks except where these are specified by the Purchaser himself. Royalties where payable for the use of such patented processes, registered drawings or patterns shall be borne exclusively by the Contractor. The Contractor shall advise the Purchaser of any proprietary rights that may exist on such processes, drawings or patterns, which he may use of his own accord.

(b) In the case of patents taken out by the Contractor of the drawings or patterns registered by him or of those patents, drawings or patterns for which he holds a license, the signing of the contract automatically

gives the Purchaser the right to repair by himself the purchased articles covered by the patent or by any person or body chosen by him and to obtain from any sources he desires the component parts required by him for carrying out the repair work. In the event of infringement of any patent rights due to above action of the Purchaser he shall be entitled to claim damages from the Contractor on the grounds of any loss of any nature which he may suffer e.g., in the case of attachment because of counterfeiting.

24. LICENSE AS PER GOVT. OF INDIA CONTRACT LABOUR ACT: The Contractors are required to produce license as enjoined in the Government of India Contract Labor (Regulation and Abolition) Act (1978) with latest amendments, if any. They shall not be allowed to undertake or execute any work through contract Labor except under and in accordance with a license issued under the said Act in that behalf by the authorized licensing Officer.

24.1 Labor Cess: The tenderers, for carrying out any construction work, must get themselves registered with the Registrar Officer under section-7 of the building and other Construction workers Act 1996 and rules made thereto by the concerned State Govt. and submit certificate of Registration issued from the Registering officer of the concerned State Govt. (Labor Dept). **As per this act, the tenderer shall be levied a cess@1% of cost of construction work, would be deducted from each bill. Cost of material when supplied under a separate schedule item, shall be outside the purview of Cess**

25. DEFAULTS AND DELAYS: The Contractor shall execute the work with due diligence and expedition, keeping to the approved time schedule. Should he refuse or neglect to comply with any reasonable orders given to him in writing by the Purchaser's Engineers in connection with the work or contravene the provision of the Contract or the progress of work lags persistently behind the time schedule due to his neglect, the Purchaser shall be at liberty to give seven days' notice in writing to the Contractor requiring him to make good the neglect or contravention complained of and should the Contractor fail to comply with the requisitions made in the notice within seven days from the receipt thereof, it shall be lawful for the purchaser to take the work wholly or in part out of the Contractor's hands without any further reference and get the work or any part thereof, as the case may be, completed by other agencies at the expense of the Contractor without prejudice to any other right or remedy of the Purchaser.

26. LOSS SUSTAINED DUE TO DEFAULTS AND DELAYS: In the event of any loss to the purchaser on account of execution and/or completion of the work or any part thereof by agencies other than the contractor, in terms of para above the contractor shall be liable to reimburse the loss to purchaser without prejudice to the other rights and remedies of the purchaser and the reimbursement in full or in part, as the case may be, shall be met at the option of the purchaser from out of all or any of the following sources viz:

(a) i) Any amount due and payable to the contractor by the purchaser on any account whatsoever.

ii) The Contractor's security deposit in the hands of the purchaser as far as available, and.

iii) Any other assets whatsoever of the contractor.

(b) In the event of re-imbursement from out of sources (i) and/or (ii) above mentioned, the purchaser shall have the right of appropriation suomoto.

27. PENALTY FOR DELAY IN COMPLETION

27.1 The contractor fails to execute and complete the work within the time specified in the Agreement or within the period of extension granted the contractor shall accept reduction in the total amount payable to him by the purchaser at the rate of **0.5% per week or part thereof** (rounded off to the nearest whole number) of the total value of the contract for the actual delay occasioned beyond the appointed time by which the work shall have been completed under the contract.

27.2 The total value of penalty on account of above shall be **limited to maximum of 10% (Ten percent)** of the total contract value.

27.3 Such reduction shall be accepted by the purchaser in full satisfaction of the contractor's liability arising from delay only. This penalty for delay in completion will be applicable separately for each stage of completion of work when two or more stage of completion, are specified in the contract. The purchaser's engineer shall at his sole discretion specify a time limit within which the unfinished portion of the work shall be completed after serving on the contractor a notice of Purchaser's intention to recover the said penalty in Form 11. In the event of failure of the contractor, the purchaser shall be at liberty to take action in accordance with provisions in Para 33 to 35.

NOTE: For purpose of this para the value of work shall be calculated on the basis of unit prices included in schedule of requirements.

27.4 Penalty for damaging the Railway Cable: For each case of damaging the Railway cable a lump sum amount of Rs.1.50 lakh (Rupees one lakh and fifty thousand) shall be imposed in the case of any cable cut/damage to railway cable. The penalty shall be multiple if it happens in multiples i.e., if cable is cut 2 times by the contractor, then the penalty imposed shall be Rs.3.00 lakh.

28 ADHERENCE OF TIME SCHEDULE

28.1 Timely completion of the work is the essence of the contract. Delay in execution will attract penalty in accordance with the provisions in above para 27.

28.2 If any delay as aforesaid shall have arisen from any cause which the Purchaser may agree as being a reasonable ground for extension of time the purchaser's engineer or his representative may allow such additional time as he may in his absolute discretion consider to be reasonably justified by the circumstances of the case. Such extensions shall be granted, on request from contractor, with liquidated damages in the Form No.11.

29 CONTRACTOR'S LIABILITIES FOR COSTS AND DAMAGES

29.1 WITHHOLDING AND LIEN IN RESPECT OF SUMS CLAIMED

a) Whenever any claim or claims for payment of a sum of money arises out of or under the contract against the contractor, the Purchaser shall be entitled to withhold and also have lien to retain such sum or sums in whole or in part from the security, if any, deposited by the contractor and for the purpose aforesaid the purchaser shall be entitled to withhold the said cash security deposit or the security, if any, furnished as the case may be and also have lien over the sum pending finalization or adjudication of any such claim.

b) In the event of the security being insufficient to cover the claimed amount or amounts or if no security has been taken from the Contractor, the Purchaser shall be entitled to withhold and have lien to retain to the extent of such claim amount or amounts referred to from any sum or sums found payable or which at any time thereafter may become payable to the Contractor under the same contract or any other department of the Central Government pending finalization or adjudication of any such claims.

c) It is an agreed term of the contract that the sum of money or moneys so withheld or retained under the lien referred to by the purchaser till the claim arising out of or under the contract is determined by the Arbitrator (if the contract is governed by the Arbitration clause) or by the competent court, as the case may be, and that the contractor will have no claim for interest of damages whatsoever on any account in respect of such withholding or retention under the lien referred to supra and duly notified as such to the Contractor.

d) For the purpose of this clause, where contractor is a partnership firm or a limited company, the purchaser shall be entitled to withhold and also have a lien to retain towards such claimed amount or amounts in whole or in part from any sum found payable to any partner/limited company, as the case may be, whether in his individual company or otherwise.

30 PERCENTAGE / UNIT PRICES**30.1 Rate, Taxes & Duties**

- i. The price quoted in the offer should be firm, fixed indicating the breakup and inclusive of all taxes & duties like import, custom, Anti-Dumping, CGST, SGST, IGST, UTGST etc. The offer should be inclusive of packing, forwarding, freight up to destination, insurance charges.
- ii. Bidder shall issue a valid tax invoice to RailTel for availing proper credit of CGST, SGST, IGST, UTGST in case of award of contract. GST will not be reimbursed in the absence of valid tax invoice.
- iii. For all the taxable supplies made by the vendor, the vendor shall furnish all the details of such taxable supplies in the relevant returns to be filed under GST Act.
- iv. If the vendor fails to comply with any of the above, the vendor shall pay to purchaser any expense, interest, penalty as applicable under the GST Act.
- v. In case of incorrect reporting of the supply made by the vendor in the relevant return, leading to disallowance of input credit to purchaser, the vendor shall be liable to pay applicable interest under the GST Act to the credit of purchaser. The same provisions shall be applicable in case of debit/credit notes.
- vi. Tenderer shall quote all-inclusive rates, but there shall be break up of basic price and all type of applicable taxes such as SGST, CGST, IGST, UT GST along with respective HSN/SAC code under GST Law (including tax under reverse charges payable by the recipient)
- vii. Wherever the law makes it Statutory for the purchaser to deduct any amount towards GST at sources, the same will be deducted and remitted to the concerned authority.
- viii. In regard to works contract, the tenderer should have registration no for GST in respective State where work is to be executed and shall furnish GST registration certificate along with Tender.
- ix. The imposition of any new tax and /or increase in the aforesaid taxes, duties levies after the last stipulated date for the receipt of tender including extensions if any and the bidder thereupon necessarily and properly pays such taxes/ levies / Cess, the bidder shall be reimbursed the amount so paid, provided such payments, if any, is not, in the opinion of RailTel attributable to delay in execution of work within the control of bidder. The bidder shall, within a period of 30 days of the imposition of any such tax or levy or Cess, give a written notice thereof to RailTel that the same is given pursuant to this condition, together with all necessary information including details of input credit relating thereto. In the event of non-payment/ default in payment of any of the above taxes, RailTel reserves the right to with-hold the dues / payments of bidder and make payment to State / Central Government authorities as may be applicable. However, if the rates are reduced after the last stipulated date of tender, bidder has to pass on the benefits to RailTel.
- x. In case of imported equipment: Anti-dumping duty if applicable on the equipment proposed to be supplied by OEM/Tenderer as per extant instructions of Ministry of Commerce/Finance Government of India has to be borne by the tenderer and shall be deducted from the amount payable to the bidder at the time of making payment to the firm, if this duty amount is paid to Custom Authority by RailTel.
- xi. Evaluation Criteria: inter se position of the technically and financially evaluated offers will be determined on total unit rate on CIP destination basis which will include basic rate, custom duty GSST, SGST, IGST, GST, freight, insurance and any other charge or cost quoted by the tenderer, including GST payable.

On reverse charge by RailTel, wherever applicable.

- XII. However, if the extension of contract period is on account of failure of contractor, no compensation shall be made towards upward revision or imposition of any new taxes.**

Any benefit on account of downward revision of duty either in original contract period or during the extended contract period shall be passed on by the contractor to RailTel

Note: "In case the successful tenderer is not liable to be registered under CGST/IGST/UTGST/SGST Act, the RailTel shall deduct the applicable GST from his/their bills under reverse charge mechanism (RCM) and deposit the same to the concerned tax authority."

31 MEASUREMENT OF WORKS: Payments for the works shall be made in accordance with approved designs & drawings and measured in relevant units except where provided or otherwise. The measurements will be made generally in accordance with standard engineering practices.

32 MEANING AND INTERPRETATION BY RAILTEL TO BE FINAL: All measurement, method of measurement, meaning intent of specifications and interpretation of Special Conditions of Contract, given and made by the Purchaser or by the Purchaser's Engineer shall be final and binding.

33 TERMS OF PAYMENT:

33.1 All bills shall be submitted to the authority mentioned in Preamble.

33.2 Subject to any deductions or recovery which the RailTel may be entitled to make under contract, the Contractor will be entitled to be paid from time to time by way of 'on account payment' for supply of goods and 'progress payment' for works as in the opinion of the Engineer he has executed in terms of Contract.

34 PAYMENT FOR EXECUTION OF WORK: 90% payment will be made on production of invoice in duplicate for each tower successfully completed in all respects after certification of Engineer in-charge and submission of following documents:

- i. Tax Invoice in duplicate
- ii. Delivery Challan of Material.
- iii. As Built Drawings of the Tower.
- iv. Work completion certificate for Tower
- v. Factory Inspection Reports
- vi. Site Acceptance Test reports
- vii. Warranty Certificate

Balance 5 % Payment shall be released after issue of PAC.

Final 5% Payment shall be released after issue of FAC.

"Payment will be made only if entire GST Rules are complied. Proof of remittance of GST and filing returns and its visibility in GSTR 2 A & 2B is essential for making payment to vendor"

34.1.1 Completion Certificate shall be issued by the Purchaser's Engineer after successful completion of each tower work.

34.1.2 **VITIATION CLAUSE:** Quantities shown in the schedule are approximate and can vary depending on site conditions. If any vitiation arises on account of variation of quantities, the contractor shall not be paid more than the lowest rate obtained after working out with the final operated quantities

35. FINAL SETTLEMENT

On expiry of the warranty period of Two years as per clause no 2 of SCC-II and issue of the certificate of final acceptance, the SD (Para 3) will be released to the Contractor after receipt of any dues payable by the contractor. (Else the PBG/SD will be forfeited to settle any amount due) and the balance amount shall be paid.

36. CERTIFICATE FOR MODVAT /VAT BENEFITS ON BILLS - deleted

37. DEDUCTION FROM ON ACCOUNT PAYMENT BILLS

(i) All costs, damages or expenses, which RailTel may have been paid or incurred which under the provisions of contract are Contractor's obligations will be deducted by RailTel from progress payment Bills/Invoice of Contractor, as and when it is understood that such an expense has been incurred or paid for.

(ii) All such claims of RailTel shall, however, be duly supported by appropriate and certified vouchers, receipts or explanations as are available to enable the Contractor to identify such claims.

38. TAXES

39.1 The Contractor and all personnel employed by him shall pay such taxes like Income Tax as are payable under statutory laws of India and the Purchaser **WILL NOT ACCEPT** any liability for the same.

39.2 Deduction of Income Tax at source as per provisions of Finance Act and Income Tax in force shall be made from the Contractor/Sub-Contractor and the amount so deducted may be credited to the Central Government.

39.3 Wherever the law makes it statutory for the Purchaser to deduct any amount towards Sales Tax on Works Contract, the same will be deducted and remitted to the concerned authority.

39. INSURANCE: deleted

39.1&39.2 **INSURANCE OF MATERIALS & INSTALLATIONS: deleted**

40. FORCE MAJEURE CLAUSE: If at any time, during the continuance of this Contract, the performance, in whole or part, by either party, of any obligation under this contract shall be prevented or delayed by reason of any war, hostility, act of the public enemy, Civil Commotion, Sabotage, Fires, Floods, Earth quakes, explosions, strikes, epidemics, quarantine restrictions, lockouts, any statute, statutory rules/ regulations, order of requisitions issued by any Government Department or Competent Authority of acts of God here-in-after referred to as event) then provided notice of the happening of any such event is given by either party to the other within twenty one days from the date of occurrence thereof, neither party shall, by reason of such event, be entitled to terminate this Contract nor shall either party have any claim for damage against the other in respect of such non-performance or delay in performance, and the obligations under the Contract shall be resumed as soon as practicable after such event has come to an end or ceased to exist, PROVIDED FURTHER that if the performance in whole or part of any obligation under this Contract is prevented or delayed by reason of any such event beyond a period as mutually agreed to by the RailTel and the Contractor after any event or 60 days in the absence of such an agreement whichever is more, either party may at its option terminate the Contract provided also that if the contract is so terminated under this clause the RailTel may at the time of such termination take over from the Contractor at prices as provided for in the contract, all works executed or works under execution.

41. SETTLEMENT OF DISPUTE AND ARBITRATION

- a. Any dispute or difference whatsoever arising between the parties out of or relating to the construction, meaning, scope, operation or effect of this contract or the validity or the breach thereof shall be settled by a sole arbitrator in accordance with provisions contained in Arbitration and Conciliation Act, 1996 as amended and the award made in pursuance thereof shall be binding on the parties. The venue of such arbitration or proceedings thereof shall be New Delhi.
- b. All arbitration proceedings shall be conducted in English. Resources against any Arbitral award so rendered may be entered into court having jurisdiction or application may be made to such court for the order of enforcement as the case may be.
- c. The Arbitral Tribunal shall consist of the sole Arbitrator if the value of claim is up to Rs. 10 Lakhs. The arbitrator will be appointed by the Chairman cum Managing Director of RailTel Corporation of India Ltd. If the value of claim or amount under dispute is more than Rs. 10 Lakhs, the matter shall be referred to the adjudication of arbitral council. Chairman cum Managing Director/RailTel shall furnish a panel of three names to the contractor, out of which the contractor will recommend one name to be his nominee and then Chairman cum Managing Director/RailTel shall appoint out of the panel, one name as RailTel's nominee and these two arbitrators with mutual consent appoint a third arbitrator who shall act as deciding. The award of the sole arbitrator or the Arbitral council, as the case may be, shall be final and binding on both the parties, i.e., Contractor and RailTel Corporation of India Ltd.

- d. Each of the parties agree that notwithstanding that the matter may be referred to Arbitrator as provided therein, the parties shall nevertheless pend the resolution of the controversy or disagreement continue to fulfill their obligation under this Agreement so far as they are reasonably able to do so.

42. TERMINATION OF CONTRACT OWING TO DEFAULT OF CONTRACTOR

43.1 If the Contractor should:

- (i) Become bankrupt or insolvent or
- (ii) Make an arrangement with or assignment in favor of his creditors, or agree to carry out the contract under a committee of inspection of his creditors, or
- (iii) Being a Company or Corporation, go into liquidation (other than voluntary Liquidation for the purpose of amalgamation or reconstruction), or
- (iv) Have an execution levied on his goods or property on the works, or
- (v) Assign the contract or any part thereof otherwise than as provided in clause-15 of SCC, or
- (vi) Abandon the contract, or
- (vii) Persistently disregard the instructions of the RailTel's Engineer or contravene any provision of the contract, or
- (viii) Fail to adhere to the agreed program of work by a margin of 10% of the Stipulated period, or
- (ix) Fail to remove materials from the site or to pull down and replace the work after receiving from the Engineer's notice to the effect that the said materials or works have been condemned or rejected, or
- (x) Fail to take steps to employ competent or additional staff and labor as required under clause 7 of SCC, or
- (xi) Fail to supply material and/or carry out the works as per contractual specifications, or
- (xii) Promise offer or give any bribe, commission, gift or advantage either himself or through his partner, agent or servant to any officer or employee of RailTel or any person on his or on their behalf in relation to the execution of this or any other contract with the RailTel,
- (xiii) Then and in any of these said cases, the Engineer on behalf of the RailTel may serve the Contractor with a notice in writing to that effect and if the Contractor does not, within 7 days after the delivery to him of such notice, proceed to make good his default in so far as the same is capable of being made good and carry on the work or comply with such directions as aforesaid to the entire satisfaction of the Engineer, the RailTel shall be entitled after giving 48 hours' notice in writing under the hand of the Engineer to rescind the contract as a whole or in part or parts (as may be specified in such notice) and adopt either or both the following courses: A final termination notice will be issued by RailTel after expiry of 48 hrs., notice.
 - (a) To carry out the whole or part of the work from which Contractor has been removed by the employment of the required labor and materials, the cost of which shall include lead, lift, freight, supervision and all incidental charges.
 - (b) To measure up the whole or part of the work from which the Contractor has been removed and to get it completed by another contractor, the manner and method in which such work is completed shall be in the entire discretion of the Engineer whose decision shall be final; and in both cases (a) and (b) mentioned above the RailTel shall be entitled to forfeit the whole or such portion of the security deposit as it may consider fit,

43.2 Provided always that in any case in which any of the powers conferred upon the RailTel by Sub-clause above shall have become exercisable and the same shall not be exercised, the non-exercise thereof shall not constitute a waiver of any of the conditions thereof and such power shall notwithstanding be exercisable in the event of any future case of default by the Contractor for which his liability for past and future shall remain unaffected.

43.3 RIGHT OF RAILTEL AFTER TERMINATION OF CONTRACT OWING TO DEFAULT OF CONTRACTOR: In the event of any or several of the courses, referred in Sub-clause 43 above, being adopted:

- (a) The Contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials or entered into any commitments or made any advances on account of or with a view to the execution of the works or the performance of the contract and Contractor shall not be entitled to recover or be paid any sum for any works thereto not actually performed under the contract, unless or until the Engineer shall have certified the performance of such work and the value payable in respect thereof and the Contractor shall only be entitled to be paid the value so certified.
- (b) The Engineer or Engineer's Representative shall be entitled to take possession of any materials, tools, implements, machinery or buildings on the works or on the property on which these are being or ought to have been executed, and to retain and employ the same in the further execution of the works or any part thereof until the completion of the works without the Contractor being entitled to any compensation for the use and employment thereof or for wear and tear or destruction thereof.
- (c) The Engineer shall, as soon as may be practicable after removal of the Contractor fix and determine expert or by or after reference to the parties or after such investigation or enquiries as he may consider fit to make or institute and shall certify what amount (if any) has at the time of termination of the contract been reasonably earned by or would reasonably assure to the Contractor in respect of the work then actually done by him under the contract what was the value of any unused or partially used materials, any constructional plants and any temporary works upon the site.
- (d) The RailTel shall not be liable to pay to the Contractor any moneys on account of the contract until the expiration of the period of maintenance and thereafter until the cost of completion and maintenance damages for delay in completion (if any) and all other expenses incurred by the RailTel have been ascertained and the amount thereof certified by the Engineer. The Contractor shall have no claim to any payment of compensation or otherwise howsoever on account of any profit or advantage which he might have derived from execution of the work in full, but he did not derive in consequence of termination of the contract. The Contractor shall then be entitled to receive only such sum or sums (if any) as the Engineer may certify would have been due to him upon due completion by him after deduction of the said amount; but if such amount shall exceed the sum which would have been payable to the Contractor, then the Contractor shall upon demand pay to the RailTel the amount of such excess and it shall be deemed a debt due by the Contractor to the RailTel and shall be recoverable accordingly.

RAILTEL
A Government of India
Initiative

SPECIAL CONDITIONS OF CONTRACT –II (SCC-II)

These conditions are applicable to the present tender and override the conditions given in special conditions of contract-I if already mentioned therein.

1. Completion Certificate: On completion of works of each tower as per specification, a completion certificate will be issued by the purchaser's Engineer-In-Charge of RailTel.
- 1.1 Provisional Acceptance Certificate (PAC): After successful completion of work in all sites as per schedule of requirement and specifications, on the request of the contractor stating all the sites are ready for commercial service and ready to handover, Provisional Acceptance Certificate will be issued on certification of Manager concerned for completion of total project. PBG will be released after issue of this provisional acceptance certificate.
2. Maintenance Supervision Support / Warranty Period: The Tower is to be maintained until Final Acceptance certificate is issued by the Authorized RailTel representative. The following things must be covered in the warranty, for a period of three 2 Years from the date of issue of Provisional Acceptance certificate.
 - i. Any defect arising out of bad workman ship/ poor material quality must be rectified at contractor's cost
 - ii. Manufacturing defects as may be detected during this period must be repaired or replaced as the case may be at contractor's cost.
 - iii. Any defective material that may be noticed must be replaced at contractor's cost. For this defective, work must be completed within 72 hours from the time it is notified. In case the same is not complied with requisite penalty will be imposed and amount recovered from your security deposit. The penalty will be the actual cost of the defect rectification by the third party plus 13% extra as RailTel's supervision charges.
3. Final Acceptance Certificate (FAC):
 - i. After completion of warranty/maintenance period of 2 Years, Final Acceptance Certificate will be issued on certification of Manager concerned for no defects pending.
 - ii. SD will be released after issue of this final acceptance certificate duly deducting any dues on account of contractor if any.
- 4 **Responsibilities of Contractor in respect of local taxing rules, local laws, employment for workers etc.:**

The following are the responsibilities of the Contractor in respect of observance of local laws, employment of personnel, payment of taxes etc.

4.1 The tenderer must be registered in relevant states for the payment of Works Contract Tax OR tenderer must register for the same and produce the same along with the bills for payment.

4.2 As far as possible, unskilled workers shall be engaged from the local areas in which the work is being executed.

4.3 The Contractor at all times during the continuance of this contract, shall in all his dealings with the local labor for the time being employed on or in connection with the work, has due regard to all local festivals, religious and other customs.

4.4 The Contractor shall comply with all State and Central Laws, Statutory Rules, Regulations etc., such as The Payment of Wages Act, The Minimum Wages Act, The Workmen's Compensation Act, The Employer's Liability Act, The Industrial Disputes Act, The Employee's Provident Fund Act, Employee's State Insurance Scheme, The Contract Labor (Regulations and Abolitions Act, 1970) and other Acts, Rules and Regulations for labor as may be enacted by the Government during the tenure of the Contract and having force or

jurisdiction at site. The Contractor shall give to the local Governing Body, Police and other concerned authorities all such notice as may be required under law.

4.5 The Contractor will obtain independent license under the Contract Labor (Regulations and Abolition Act, 1970) from the concerned authorities based on the certificate (Form V) issued by the principal employer / customer, if such license is required under the law.

4.6 The Contractor shall pay all taxes, fees, license charges, deposits, duties, tolls, royalty, commissions or other charges which may be leviable on account of any of his operations connected with this contract. In case, RAILTEL is forced to make any such payment, RAILTEL shall recover the same from the Contractor either from moneys due to him or otherwise as deemed fit.

4.7 The Contractor shall be responsible for the provision of health and sanitary arrangements more particularly described in the Contract Labor (Regulations and Abolition Act, 1970) and safety precautions as may be required for safe and satisfactory execution of the contract.

4.8 The Contractor shall be responsible for proper accommodation including adequate medical facilities for the personnel employed by him.

4.9 The Contractor shall be responsible for the proper behavior and observance of all regulations by the staff employed by him.

4.10 The Contractor shall ensure that no damage is caused to any person / property of other parties working at site. If any such damage is caused, it shall be the responsibility of the Contractor to make good the losses and compensate them.

4.11 All the properties/equipment/components of RAILTEL loaned with or without deposit, to the Contractor shall remain the properties of RAILTEL. The Contractor shall use such properties for the purpose of execution of this contract. All such properties/ equipment / component shall be taken to be in good condition unless notified to the contrary by the Contractor within 48 hours. The Contractor shall return them in good condition as and when required by RAILTEL. In case of non-return, loss, damage, repairs etc., the cost thereof, as may be fixed by the Engineer, will be recovered from the Contractor.

4.12 It shall not be obligatory on the part of RAILTEL to supply any tools and tackles or materials other than those specifically agreed to be given by RAILTEL.

4.13 The Contractor shall fully indemnify and keep indemnified RAILTEL against all claims of whatever nature arising during the course of execution of this contract.

4.14 In case the Contractor is required to undertake any work outside the scope of this contract, the amount payable shall be as may be mutually agreed upon.

4.15 Any delay in completion of works or non-achievement of periodical targets, due to reasons attributable to the Contractor, will have to be compensated by the Contractor either by increased manpower and resources or by working extra hours or more than one shift at no extra cost to RAILTEL.

4.16 The Contractor will be directly responsible for payment of wages to his workmen. A payroll sheet giving details of all payments made to the workmen duly signed by the Contractor's representative should be furnished to RAILTEL, if called for.

4.17 In case of any class of work for which there is no specification laid down in the contract, such work shall be carried out in accordance with the instructions and requirements of the Engineer.

4.18 No levy, payment or charges made or imposed shall be impeached by reason of any clerical error or by reason of any mistake in the amount levied, demanded or charged.

4.19 No idle labor charges will be admissible in the event of any stoppage of work resulting in the Contractor's workmen being rendered idle due to any reason at any time.

4.20 The Contractor shall take all reasonable care to protect the materials and the work till such time it has been taken over by RAILTEL.

4.21 Contractor shall not stop work or abandon the site for whatsoever reason or dispute, excepting for force majeure conditions. All problems / disputes shall be separately discussed and settled without effecting the progress of work. Stoppage or abandonment of work other than under force majeure conditions shall be treated as breach of work of contract and dealt with accordingly.

4.22 The Contractor shall keep the area of work clean and shall remove the debris etc. outside of RailTel's premises, while executing day-to-day work. Upon completion of work, the Contractor shall remove from the

vicinity of work, all scrap, packing materials, rubbish, unused and other materials and deposit them in places specified by the Engineer. The Contractor will also demolish all the hutments, sheds, offices, etc., constructed and used by him and shall clean the debris. In the event of his failure to do so, the same will be arranged to be done by the RAILTEL and the expenses recovered from the Contractor.

4.23 The Contractor shall execute the work in the most substantial and workmen like manner in the stipulated time. Accuracy of work and timely execution shall be the essence of this contract. The Contractor shall be responsible to ensure that the quality, assembly and workmanship conform to the dimensions and clearance given in the drawings and/or as per the instructions of the Engineer.

4.24 The Contractor shall furnish fortnightly labor deployment report indicating the classification and number of workmen engaged, date wise and category wise. Besides, the Contractor shall also furnish progress reports on work at regular intervals as required by the Engineer.

4.25 Updating of Labour data: A. Contractor is to abide by the provisions of Payment of Wages act & minimum Wages act in terms of clause 54 ad 55 of Indian Railways General Condition of Contract. In order to ensure the same and application has been developed ad hosted on website www.shramikkalyan.indianrailways.gov.in. Contractor shall register his firm/ company etc. and upload requisite details of labor and their payment I this portal. These details shall be available in public domain. The Registration/ updating of Portal shall be done as under:

- a) Contractor shall apply for onetime registration of his company/firm etc. in the Shramikkalyan portal with requisite details subsequent to issue of Letter of Acceptance. Engineer shall approve the contractor's registration on the portal within 7 days of receipt of such request.
 - b) Contractor once approved by an Engineer, can created password with login ID (PAN No.) for subsequent use of portal for all LOAs issued in his favor.
 - c) The contractor once registered on the portal, shall provide details of his Letter of Acceptance (LoA) / Contract Agreements on Shramikkalyan portal within 15 days of issue of any LOA for approval of concerned engineer. Engineer shall update (if required) and approve the details of LoA filled by contractor within 7 days of receipt of such request.
 - d) After approval of LoA by Engineer, contractor shall fill the salient details of contract labors engaged in the contract and ensure updating of each wage payment to them on Shramikkalyan portal on monthly basis.
 - e) It shall be mandatory upon the contractor to ensure correct and prompt uploading of all salient details of engaged contractual labor& payments made thereof after each wage period.
- B. "While processing payment of any "On Account Bill" or "Final Bill" or release of "Advances' or "Performance Guarantee/Security Deposit", contractor shall submit a certificate to the Engineer or Engineer's representatives that "I have uploaded the correct details of contract labors engaged in connection with this contract and payments made to them during the wage period in Railway's Shramikkalyan portal at "www.shramikkalyan.indianrailways.gov.in" till ____ Month ____ Year."

5 Responsibility of contractor in respect of safety of men, equipment, material and environment:

All safety rules and codes applied by RAILTEL at site shall be observed by the Contractor and his workmen without exception. The Contractor shall be responsible for the safety of the equipment / material and work to be performed by him.

5.1 Contractor shall also take such additional precautions as may be indicated from time to time by the Engineer, with a view to prevent pilferage, accidents, fire hazards etc. Suitable number of Clerical Staff, watch and ward, Storekeepers to take care of equipment, material, construction tools and tackles shall be posted at site by the Contractor till the completion of work under this contract. The Contractor shall arrange for such safety devices as are necessary for this type of work and carry out the requisite site tests of handling equipment, lifting tools, tackles etc. as per usual standards and practices.

5.2 The Contractor shall provide to its work force and ensure the use of the following personal protective equipment as found necessary:

Safety Helmets conforming to IS – 2925. Safety Belts conforming to IS – 3521. Safety Shoes conforming to IS – 1989. Eye & Face Protection devices conforming to IS – 8520 & IS – 8940. Hand & Body Protection devices conforming to IS – 2573, IS – 6994, IS – 8807 & IS 8519.

5.3 All tools, tackles, lifting appliances, material handling equipment, scaffolds, cradles, safety nets, ladders, equipment etc. used by the Contractor shall be of safe design and construction. These shall be tested and certificate of fitness obtained before putting them to use and from time to time as instructed by authorized RAILTEL official who shall have the right to ban the use of any item.

5.4 All electrical equipment, connections and wiring for construction power, its distribution and use shall conform to the requirements of Indian Electricity Act and Rules. Only electricians licensed by the appropriate statutory authority shall be employed by the Contractor to carry out all types of electrical works. All electrical appliances including portable electric tools used by Contractor shall have safe plugging system to source of Power and be appropriately earthed. Where it becomes necessary to provide and / or store petroleum products, explosives, chemicals and liquid or gaseous fuel or any other substance that may cause fire or explosion, the Contractor shall be responsible for carrying out such provision and / or storage in accordance with the rules and regulations laid down in the relevant Government Acts, such as Petroleum Act, Explosive Act, Petroleum and Carbide of Calcium Manual of the Chief Controller of Explosives, Government of India etc. Prior approval of the authorized RAILTEL official at the site shall also be taken by the Contractor in all such matters.

5.5 The Contractor shall arrange at his cost (wherever not specified) appropriate illumination at all work spots for safe working, when natural daylight may not be adequate for clear visibility.

5.6 In case of a fatal or disabling injury/accident to any person at construction sites due to lapses by the Contractor, the victim and/or his/her dependents shall be compensated by the Contractor as per statutory requirements. However, if considered necessary, RAILTEL shall have the right to impose appropriate financial penalty on the Contractor and recover the same from payments due to the Contractor for suitably compensating the victim and/or his/her dependents. Before imposing any such penalty, appropriate enquiry shall be held by RAILTEL giving opportunity to the Contractor to present his case.

5.7 In case of any damage to property due to lapses by the Contractor, RAILTEL shall have the right to recover the cost of such damages from the payments due to the Contractor after holding an appropriate enquiry.

5.8 In case of any delay in the completion of a jobs due to mishaps attributable to lapses by the Contractor, RAILTEL shall have the right to recover cost of such delay from the payments due to the Contractor, after notifying the Contractor suitably and giving him opportunity to present his case.

5.9 If the Contractor fails to improve the standards of safety in its operation to the satisfaction of RAILTEL, after being given reasonable opportunity to do so and / or if the Contractor fails to take appropriate safety precautions or to provide necessary safety devices and equipment or to carry out instructions regarding safety issued by the authorized RAILTEL official, RAILTEL shall have the right to take the corrective steps at the risk and cost of the Contractor after giving a notice of not less than seven days indicating the steps that would be taken by RAILTEL.

5.10 The Contractor shall submit report of all accidents, fires, Property damage and dangerous occurrences to the authorized RAILTEL official immediately after such occurrence, but in any case, not later than 12 hours of the occurrence. Such reports shall be furnished in the manner prescribed by RAILTEL. In addition, periodic reports on safety shall also be submitted by Contractor to the authorized RAILTEL official from time to time as prescribed.

5.11 During the course of construction, alteration or repair scrap lumbars with protruding nails, sharp edges etc., and all other debris including combustible scrap shall be kept cleared from working areas, passage ways and stair in and around site. Cylinders shall be moved by tilting and rolling them on their bottom edges. They shall not be intentionally dropped, struck or permitted to strike each other violently. When cylinders are transported by powered vehicles, they shall be secured in a vertical position.

5.12 Contractor shall provide enough fire protecting equipment of the types and numbers at his office,

stores, erection site, other temporary structures, labor colony area etc. Access to such fire protection equipment shall be easy and kept open at all times. Compliance of the above requirement under fire protection shall in no way relieve the Contractor of any of his responsibility and liabilities to fire accident occurring. In the event fire safety measures are not to RAILTEL's satisfaction, RAILTEL shall have option to provide the same and recover the cost-plus incidentals from Contractor's bills and / or impose penalty as deemed fit by the authorized representative of RAILTEL.

GUARANTEE BOND FOR SECURITY DEPOSIT/PBG (Form-4)

(On Stamp Paper of requisite value) (To be used by approved Scheduled Banks)

In consideration of the RailTel Corporation of India Limited: Plate-A, 6th Floor, Office Tower-2, NBCC Building, East Kidwai Nagar, New Delhi-110023

1. (Herein after called RailTel) having agreed to exempt
(Hereinafter called "the said Contractor(s)") from the demand, under the terms and conditions of an PO/WO/ LOA No/ Agreement No. dated made between and for (hereinafter called "the said Agreement") of security deposit for the due fulfillment by the said Contractor (s) of the terms and conditions contained in the said Agreement, or production of a Bank Guarantee for Rs. (Rs. only). We, (indicate the name of the Bank) hereinafter referred to as "the Bank") at the request of Contractor(s) do hereby undertake to pay the RailTel an amount not exceeding Rs. Against any loss or damage caused to or suffered or would be caused to or suffered by the RailTel by reason of any breach by the said Contractor(s) of any of the terms or conditions contained in the said Agreement.
2. We, Bank **and our local branch at New Delhi (indicate detail address of local New Delhi Branch with code no.)** do hereby undertake to pay the amounts due and payable under this Guarantee without any demur, merely on demand from the RailTel stating that the amount is claimed is due by way of loss or damage caused to or would be caused to or suffered by the RailTel by reason of breach by the said Contractor(s) of any of terms or conditions contained in the said Agreement or by reason of the Contractor(s) failure to perform the said Agreement. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs.
3. We, bank undertake to pay to the RailTel any money so demanded notwithstanding any dispute or disputes raised by the Contractor(s) / Supplier(s) in any suit or proceedings pending before any court or Tribunal relating thereto our liability under this present being, absolute and unequivocal.
The payment so made by us under this Bond shall be a valid discharge of our liability for payment there under and the Contractor(s) / Supplier(s) shall have no claim against us for making such payment.
We, Bank further agree that the Guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said Agreement and that it shall continue to be enforceable till all the dues of the RailTel under or by virtue of the said Agreement have been fully paid and its claims satisfied or discharged or till RailTel certifies that the terms and conditions of the said Agreement have been fully and properly carried out by the said Contractor(s) and accordingly discharges this Guarantee. Unless a demand or claim under the Guarantee is made on us in writing on or before the (1) We shall be discharged from all liability under this Guarantee thereafter.
We, We, (indicate the name of Bank) Further agree with the RailTel that the RailTel shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the Agreement or to extend time of to postpone for any time or from time to time any of the powers exercisable by the RailTel against the said contractor(s) and to forbear or enforce any of the terms and conditions relating to the said Agreement and we shall not be relieved from our liability by reason of any such variation, or extension to the said Contractor(s) or for any forbearance, act or omission on the part of RailTel or any indulgence by the RailTel to the said Contractor(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have affect of so relieving us.

This Guarantee will not be discharged due to the change in the Constitution of the Bank or the Contractor(s) Supplier(s).

We, the Bank further agree that this guarantee shall be invokable at our place of business at/New Delhi (indicate detailed address of local New Delhi Branch with code no.).The branch at New Delhi is being advised accordingly.

(indicate the name of Bank) lastly undertaken not to revoke this Guarantee during its currency except with the previous consent of the RailTel in writing.

(On Stamp paper of Requisite Value)

We, M/s _____ hereby undertake that we hold at our Stores Depot/s at _____ for and on behalf of RailTel Corporation of India Limited in the premises through ED/RGM/RailTel/Southern Region or his successor hereinafter referred to as "the Purchaser" all materials for which 'On Account' payments have been made to us against the Contract for -----vide letter of Acceptance/PO No----- of Tender No. RCIL-SR-SC-22-23-163 dated 28-12-2022 and the materials handed over to us by the Purchaser for all purpose of execution of the said Contract, until such time the materials are duly erected or otherwise handed over to him.

We shall be entirely responsible for the safe custody and protection of said materials against all risk till they are duly delivered as erected equipment to the purchaser or as he may direct otherwise and shall indemnify the Purchaser against any loss, damage or deterioration whatsoever in respect of the said materials while in our possession and against disposal of surplus materials. The said materials shall at all times be open to inspection by any engineer authorized by the Executive Director/Regional General Manager/Southern Region (whose address will be intimated in due course).

Should any loss, damage or deterioration of materials occur or surplus materials disposed of and refund becomes due, the purchaser shall be entitled to recover from us the full cost as per prices included in the Contract (as applicable) and also compensation for such loss or damage, if any, along with the amount to be refunded without prejudice to any other remedies available to him by deduction from any sum due or any sum which at any time hereafter becomes due to us under the said or any other Contract.

In the event of any loss, damage or deterioration as aforesaid the assessment of such loss or damage and the assessment of such compensation therefore would be made by the RGM/RailTel/SR, or his authorized nominee and the said assessments shall be final and binding upon us.

Dated this _____ day of _____
for and on behalf of M/s _____
(Contractor)

Address

FORM – 8 PARA 8.3 of Section-II Chapter – II
ACKNOWLEDGMENT FOR RECEIVING MATERIALS FROM RAILTEL

Station: Date:

Sub: Receipt of Material from RailTel

It is hereby acknowledged that the following materials have been received in full and good condition by me on -----at----- for the work under the Agreement no.-----
-----dated-----

Sl. No.

Description of Material

Quantity Remarks (Meter/No.) if any

Witnessed by:

(Signature of Engineer's Representative)

(Signature of Contractor Representative with or Contractor's Designation)

FORM - 9**Para - 35 Section-II Chapter - II****EXTENSION OF PERIOD OF COMPLETION OF WORK ON CONTRACTOR'S ACCOUNT**

No. Date:

To,

Sub: (i) Name of Work:

(ii) Acceptance Letter No.

(iii) Undertaking / Agreement No.

Ref: (Quote specific application of the Contractor for extension to date, if received).

Dear Sir,

The stipulated date for completion of the work mentioned above is..... from the progress made so far and the present rate of progress, it is unlikely that the work will be completed by the above date (or however, the work was not completed on this date)

Expecting that you may be able to complete the work if some time is given the Executive Director/Regional General Manager (Southern Region), RailTel Corporation of India Limited, Secunderabad although not bound to do so, hereby extends the time for completion from to

Please note that an amount equal to 0.5% of the total value of the contract per week or part thereof (rounded off to the nearest whole number) subject to a maximum of 10% of the total contract value of the works as a recovery for delay in the completion of the work after the expiry of (1) will be recovered from as mentioned in para 35-chapter II, section II of the special conditions of contract for the extended period notwithstanding the grant of this extension. You may proceed with the work accordingly.

The above extension of the completion date will also be subject to the further condition that no increase in rates on any account will be payable to you.

Please intimate within a week of the receipt of this letter your acceptance of the extension on the conditions stated above.

Please note that in the event of declining to accept the extension on the above said conditions or, in the event of your failure after accepting or acting up to this extension to complete the work by (2) here mention the extended date), further action will be taken in terms of relevant para of special conditions of contract.

Yours faithfully,
for & on behalf of RailTel Corporation of India Limited

Note:

1. Give here the stipulated date for completion without any penalty fixed earlier.
2. Here mentions the extended date.

FORM - 10
Para 18.1.3 Section-II Chapter I

QUALIFICATION / EXPERIENCE

Details of works executed and under execution during the last 3 financial years and the current financial year should be furnished in the following format.

S.No.	Name of Project and description of work.	Party's Address of whom the work was done	Total value (in Indian Rupees)	Year of completion and schedule period of execution (in months)	Year of completion and actual period of execution (in months)	Remarks

Note: A certificate from the organization, for which the work was executed, should preferably be enclosed to indicate that the contract was satisfactorily performed.

Signature and Seal of the Tenderer

Form-11
Annexure-A

FORMAT FOR AFFIDAVIT TO BE SUBMITTED BY TENDERER ALONG WITH THE TENDER BID DOCUMENTS

(To be executed in presence of public notary on non-judicial stamp paper of the value of Rs. 100/-. The paper has to be in the name of the tenderer)

I(Name and designation) ** appointed as the attorney/authorized signatory of the tenderer (including its constituents),

M/s _____ (hereinafter called the tenderer) for the purpose of the Tender documents for the work of _____ as per the tender No. _____ of (RailTel), do hereby solemnly affirm and state on the behalf of the tenderer including its constituents as under:

1. I/we the tenderer (s), am/are signing this document after carefully reading the contents.
2. I/we the tenderer(s) also accept all the conditions of the tender and have signed all the pages in confirmation thereof.
3. I/we hereby declare that I/we have downloaded the tender documents from RailTel website www.railtelindia.com/ <https://www.ireps.gov.in>. I/we have verified the content of the document from the website and there is no addition, no deletion or no alternation to the content of the tender document. In case of any discrepancy noticed at any stage i.e., evaluation of tenders, execution of work or final payment of the contract, the master copy available with the RailTel Administration shall be final and binding upon me/us.
4. I/we declare and certify that I/we have not made any misleading or false representation in the forms, statements and attachments in proof of the qualification requirements.
5. **I/we also understand that my/our offer will be evaluated based on the documents/credentials submitted along with the offer and same shall be binding upon me/us.**
6. **I/we declare that the information and documents submitted along with the tender by me/us are correct and I/we are fully responsible for the correctness of the information and documents, submitted by us.**
7. I/we undersigned that if the certificates regarding eligibility criteria submitted by us are found to be forged/false or incorrect at any time during process for evaluation of tenders, it shall lead to forfeiture of the tender EMD besides banning of business for five years on entire RailTel. Further, I/we (insert name of the tenderer) ** _____ and all my/our constituents understand that my/our constituents understand that my/our offer shall be summarily rejected.
8. I/we also understand that if the certificates submitted by us are found to be false/forged or incorrect at any time after the award of the contract, it will lead to termination of the contract, along with forfeiture of EMD/SD and Performance guarantee besides any other action provided in the contract including banning of business for five years on entire RailTel.

DEPONENT

SEAL AND SIGNATURE OF THE TENDERER

VERIFICATION

I/we above named tender do hereby solemnly affirm and verify that the contents of my/our above affidavit are true and correct. Nothing has been concealed and no part of it is false.

**The contents in Italics are only for guidance purpose. Details as appropriate are to be filled in suitably by tenderer. Attestation before Magistrate/Notary Public

Section III Chapter I

25 KV AC TRACTION AND GENERAL SCHEME.**1.1 GENERAL**

1.1.1 Any Telecommunication circuits in the vicinity of AC Traction running parallel to 25 KV lines are liable to be affected by AC induced voltage. Therefore, precautions should be taken to eliminate the possibility of induced voltage affecting equipment and humans.

1.1.2 Crossing of track, if any, should be negotiated by underground cables running at right angles to the track as far as practicable.

1.1.3 Special protective measures (viz. provision of G.D tubes, fuses and earthing etc.) are required to be taken for telecommunication lines entering 25 KV substation /switching posts.

1.1.4 For the human safety considerations the safe working voltages should be 60 V under normal conditions and 150 V with special precautions and 430 V under fault conditions.

1.1.5 Instructions for protection of railway staff/working personals on signaling and telecommunications installations on 25 KV AC traction shall be strictly adhered to. Precautions are required to be taken on account of following,

- i) Proximity of live conductor.
- ii) Pressure of return current in Rails.
- iii) Induction in all metallic bodies situated closed to overhead equipment.

SECTION III
CHAPTER 2
TECHNICAL SPECIFICATION AND INSTRUCTIONS

SPECIFICATIONS FOR 40 M SELF SUPPORTING GROUND BASED TOWER.

1. Introduction

This document outlines the basic technical requirements & design specifications for “Fabrication, Supply & Erection of Ground based Towers (GBT) for use in 4G-LTE KAVACH application of Railway”.

2. Scope of Work:

2.1 Scope of work for RailTel: Approval of tower site layout plan, handing over of site, tower drawings, with all permissions in time for taking up Foundation and Erection activity.

2.2 Scope of Work-Bidder

- i. Survey of the section (Secunderabad – Lingampalli) including RSSI (Received Signal Strength Indicator) basing on the Antenna Input Specifications and preparation of survey sheets for tower site layout plan, cabling and tower erection arrangements including soil Safe Bearing Capacity (SBC) tests, 3rd party inspections, SACFA/WPC clearances.
- ii. Preparation and submission of designs for Tower foundation and tower structure as per survey.
- iii. Supply, Fabrication, Quality Assurance, Logistics & Erection of Ground based Towers, along with Earthing, ladder with cage, cable tray etc. all complete as per RDSO's Tower drawing RDSO/TC/TOWER/L/40/180/T/6.5 (8 sheets) and RDSO's tower foundation drawing Nos. RDSO/TC/TOWER/L/40/100/F/NWT (3 sheets) OR RDSO/TC/TOWER/L/40/100/F/WT (2 sheets) as applicable.
- iv. Bidder shall be single point of contact, responsible for fabrication, supply, transportation, erection and quality assurance for the tower, until the completion of work. Bidder shall confirm the name & contact details of the SPOC appointed for this work.
- v. Bidder has to carryout following and submit the documents:
 - a. Pre dispatch inspection report & certificate for raw material quality
 - b. Post erection work completion certificate confirming completeness of work as per drawing and quality during various stages of construction and installation as per following table:

A	Tower Foundation Construction	
1	Milestone-1	Stage-1: completion of PCC bed concreting after soil excavation
2	Milestone-2	Stage-2: completion of checking of reinforcement and completion of foundation raft plus 1 st lift
3	Milestone-3	Stage-3: completion of foundation 2 nd lift
4	Milestone-4	Stage-4: completion of fixing of CIP & final concreting
B	Tower Manufacturing, Supply & Erection	
1	Milestone-5	Completion of 3 rd party inspection of raw materials & clearance for tower fabrication (RITES/Any other agency as decided by RailTel)
2	Milestone-6	Completion of 3 rd party inspection for finished goods & final clearance of tower materials (RITES/Any other agency as decided by RailTel)
3	Milestone-7	Transportation and erection of tower, painting with all accessories as per approved drawings, including antenna mounts, earthing, ladder with cage, cable tray, fencing, ACWL.

- vi. Tubular towers shall be able to support Di-pole and 4G-LTE antennas in any horizontal direction. The scope also includes, supply and installation of SDG pole mounts with necessary clamping arrangement

including supply & installation of ladders from Tower to Equipment room, civil concrete works as per site requirement to mount Di-pole and 4G-LTE antennas.

- vii. Mount brackets shall be used for antenna carrier. Mount brackets shall be manufactured in such a way that it allows adjustment of antenna directions and antenna tilt.

viii. Electrical Works:

- a. Supply of IP 55 outdoor location box, casting of foundation and erection near Tower base
- b. Supply, fixing, wiring and commissioning of SMPS rectifier Module (2x3.1KW), with 12V100AH - 4nos. of SMF Batteries
- c. Installation and commissioning of entire AC/DC electrical systems including supply and laying of power cable through PVC casing capping on ladder, MCBs, DCDBs, SPDs etc so as to commission Routers/Base Band Units/SMPS/Switches. Routers, BBUs, Switches only will be supplied by RailTel.
- d. Raising of Di-pole and 4G-LTE antennas, fixing on mounts and alignment, wiring from antenna to OD Box.

2.3 Process Flow for Tower Design and Erection

- i. Site survey and desktop RSSI to finalise location of tower.
- ii. Proposal of tower location with finalised RSSI survey reports for the approval of RailTel/Railway.
- iii. Soil test at the finalised tower location and submission of Geotechnical Investigation Reports (soil test reports) from NABL accredited laboratories.
- iv. Proposal to execute suitable foundation from designs approved by RailTel/Railway.
 - a. Design of tower foundation for soil Safe Bearing Capacity (SBC) with Factor of Safety 2.0
 - b. Proof checking of foundation designs by reputed third party like Indian Institute of Technology, CPRI etc.
 - c. Submission of design basis and designs for approval of RailTel/Railway.
- v. Execution of tower foundation work after approval of RailTel/Railway.
- vi. Submission of sand test reports, cement test reports and cube test reports certified by NABL accredited laboratories for approval of RailTel/Railway.
- vii. Proposal to erect super-structure based on wind speed from designs approved by RailTel/Railway.
 - a. Design of tower super-structure for 180 kmph wind speed as per IS 873 Part 3 with Factor of Safety (FOS) 2.0.
 - b. Proof checking of super-structure designs by reputed third party like Indian Institute of Technology, CPRI etc.
 - c. Submission of design basis and designs for approval of RailTel/Railway.
- viii. Fabrication of tower-superstructure with RITES inspection as per RailTel/Railway approved QAP.
- ix. Erection of tower super-structure after approval of RailTel/Railway.

3. Design Specifications:

Sl. No.	Description	Specifications
1.	Tower Height	40m
2.	Tower Type	Triangular shaped Tubular lattice structure with Antenna Mounts, two numbers of work platforms, one number of rest platform, one number of equipment platform, ladder, cage, lightning rod, ACWL (aircraft warning light) and fencing of 3 mtr height between tower legs as per drawings referred to at Sl. No. 17 to 19 of this table.
3.	Wind Speed	Basic: 180Kmph, Operational: 135Kmph

4.	Antenna Loading	KAVACH Di-pole and 4G-LTE antennas as per Drawing with Effective Projected Area (EPA) of 6.5sq.m.								
5.	Topographic Category Terrain category	1 2								
6.	Wind directionality factory Area averaging factor Combination factor	0.9 1.0 1.0								
7.	Factor of Safety	2.0								
8.	Design & Wind Load standards	As per IS :875 (Part-3)-2015 & IS: 800-2007								
9.	Mean Probable Design Life	50 Years								
10.	Twist & Sway Limits	+/- 0.5 Degrees at Operational Wind Speed								
11.	Standards of Materials	• Pipes shall conform to IS 1161-2014 with Yst -310 MPA (HT)/ 240 MPA. • Structural steel channels, angles, plates & flats etc. shall conform to IS 2062-2011 with grade designation E- 250, A/BO quality as per IRS B1-2001. • Bolts & nuts for main structure connections shall be of 8.8 grade as per IS 12427-2001 and IS 1367 (Part 3)-2002. • Bolts & nuts for ladder and accessories shall be of 5.6 grade as per IS:12427-2001 and IS 1367 (Part 3)-2002. • U bolt clamps to conform to IS 2062 and IS 1367. • Reinforcement for foundation shall be minimum Fe-500 & shall conform to IS 1786-2008. • Coarse/ fine aggregate shall conform to IS 383-2016. • Cement shall normally be OPC. In case of non-availability of OPC, fly ash based PPC cement can be used. PPC cement shall conform to IS 1489-1991 (Part 1). • Concrete shall be either in-situ or ready-mix concrete. In-situ concrete shall be as per IS 456-2000 & ready-mix concrete shall be as per IS 4926-2003.								
12	Hot dip zinc galvanization	Hot dip zinc galvanization for all tower members shall conform to IS 4759- 1996 and average thickness of coating shall be as per table below: <table><tr><td>Article & Thickness</td><td>Mean coating in Microns (μM)</td></tr><tr><td>Steel > 5 mm</td><td>85 (610 G/sq.m.)</td></tr><tr><td>Steel > 2 mm to < 5 mm</td><td>65 (460 G/sq.m.)</td></tr><tr><td>Steel > 2 mm to < 5 mm</td><td>50 (340 G/sq.m.)</td></tr></table>	Article & Thickness	Mean coating in Microns (μM)	Steel > 5 mm	85 (610 G/sq.m.)	Steel > 2 mm to < 5 mm	65 (460 G/sq.m.)	Steel > 2 mm to < 5 mm	50 (340 G/sq.m.)
Article & Thickness	Mean coating in Microns (μM)									
Steel > 5 mm	85 (610 G/sq.m.)									
Steel > 2 mm to < 5 mm	65 (460 G/sq.m.)									
Steel > 2 mm to < 5 mm	50 (340 G/sq.m.)									

		<table><tr><td>Structural Bolts > 10 mm</td><td>45 (300 G/sq.m.)</td></tr><tr><td>Structural Bolts ≤ 10 mm</td><td>40 (270 G/sq.m.)</td></tr></table>	Structural Bolts > 10 mm	45 (300 G/sq.m.)	Structural Bolts ≤ 10 mm	40 (270 G/sq.m.)
Structural Bolts > 10 mm	45 (300 G/sq.m.)					
Structural Bolts ≤ 10 mm	40 (270 G/sq.m.)					
13.	Welding	Welding shall be GMAW welding/ MIG welding. Welding rod/spool to conform to IS 6419, Grade S3				
14.	Painting	After galvanization, priming coat of zinc chrome red oxide conforming to IS 104 is to be applied followed by two or more coats of synthetic enamel paints in accordance with IS 1477 Part I and II. Painting shall be done in bands of Orange and White following the scheme prescribed in “Civil Aviation Requirements”.				
15.	- Bottom most nuts shall be locked with either tack welding or suitable thread lock chemical. - Lightning arrester shall be of galvanized rod. - Aircraft Warning Lights (ACWL) shall be of low intensity with input voltage of 24 V/ 48V/ 110V DC + 15% conforming to ICAO standards – IP rating 65 as per IS code 13947 Part I -1993. - Earthing strip shall be of size 25x6.					
16.	Design standards - Foundation	IS 456:2000, IS 11233: 1985				
17.	Tower Drawings	For full details, refer to the tower drawing No. RDSO/TC/TOWER/L/40/180/T/6.5 (8 sheets) – Annexure I				
18.	Tower Foundation Drawings	For full details, refer to foundation drawing Nos. RDSO/TC/TOWER/L/40/100/F/NWT (3 sheets) and RDSO/TC/TOWER/L/40/100/F/WT (2 sheets) – Annexure II				
19.	Earthing Arrangements	Refer to drawing No. 5773 of South Central Railway – Annexure III				
Note: Drawings mentioned above as Annexures may be collected from RailTel office at 6 th Floor, Gumidelli Towers, Begumpet Airport Road, Begumpet, Hyderabad -500016.						

4. Mandatory Design Compliance Requirements:

- 4.1. Tubular towers shall have a design that allows an easy and cost-efficient transportation from supplier to the site and a simple and cost-efficient assembly and erection on site.
- 4.2. For calculating the solidity ratio, actual obstruction area of tower shall be considered. Separate Wind obstructing areas shall be taken for ladder, cable rack and platforms etc.
- 4.3. In the tower design, the flange joint connections shall be designed as per the sum of forces at the joints. The joints shall be adequately designed for given FOS. The concept of joints to be stronger than member shall be kept in mind.
- 4.4. For the diagonal bracing member joints, the connection design capacity must be proven to be stronger than the member capacity itself. Providing connections of equal or similar capacity of member is not acceptable.
- 4.5. The tower shall have provisions for fence between the legs of the tower such that DG can be located and protected.
- 4.6. The agency has to confirm after erection of tower that the tilt, twist and rotation of the tower are within specified limits. The agency also has to check the verticality of the tower after erection. The verticality of tower shall be within the limit of (+ / -) 75mm.

- 4.7. All engineering materials used for tower foundation and construction shall be of approved brands communicated vide CE/Works/South Central Railway letter No.SCR-HQ0ENGG(SOR)/1/2020 dated 06.03.2020 or latest. The letter is enclosed as Annexure IV.
- 4.8. **ITES Inspection** – The clause of inspection by RITES is applicable only to the fabrication of tower super-structure (raw material and finished members). The fabrication shall be got inspected by RITES as per the approved QAP (Quality Assurance Plan).
- 4.9. Installation of tower includes execution of tower foundation and super-structure, installation of Di-pole & 4G LTE antenna, radio cables along with interfaces, franklin rods with down conductors, painting and fencing of tower, supply and fixing of aviation lamp along with necessary power supply and complete earthing arrangements. RailTel will supply only Di-pole & 4G antenna with radio cables. Rest all items are within the scope of the contractor.
- 4.10. **WPC and SACFA clearance:** The frequency of the operation for KAVACH is governed by RDSO guidelines. At present, UHF band of 400-470 MHz is being used for KAVACH operations. The application for WPC and SACFA clearance shall be filed by South Central Railway so that the license remains with Railway. The contractor shall submit to RailTel, all towers documents required for obtaining WPC clearance and SACFA clearance for use of towers. Payment of charges and fees towards acquiring WPC and SACFA clearance for towers, shall be made by contractor.

5. General Technical Requirements:

1. The supply of Tubular towers and monopoles shall be followed by a detailed assembly and erection specification/description.
2. Supplier's assembly & erection guidelines shall be followed i.e., Leg members, Tubular members and sections shall be marked to secure an easy assembly.
3. The specifications cover the fabrication, supply and erection of self-supporting steel tower and accessories complete with foundation work, earthing devices, pipe of suitable size and length for mounting antennae, Solid State Aviation Obstruction Lights with cabling, ladders for climbing, Cable Trays for supporting cables and platforms at respective levels.
4. Platform flooring will consist of chequered plate/ steel grating
5. An internal ladder of width not less than 400 mm starting from the ground level and going up to the top with openings at all the platforms shall be provided.
6. The ladder shall have safety hoops provided for the safety of the climbing personnel.
7. Cable tray adequately designed to carry cables as per drawing.
8. The foundation construction shall be done in accordance with IS 456 Code of Practices or Latest for plain & reinforced concrete.
9. The cement, sand and concrete used shall be best grade materials and the concrete shall be supplied in-situ/Ready mix concrete.
10. The foundation shall be watered and cured for at least 7 days and the erection of the tower shall be commenced only after the foundations are thoroughly cured.
11. Detailed Specification of 40Mtr GBT (Annexure-I).
12. Specification of foundation (Annexure-II)
13. Earthing shall be as per South Central Drawing(Annexure-III).
14. Bidder has to provide price break of the foundation. In case of change in foundation due to SBC, the revised cost of the foundation will be calculated proportionately based on the detailed price breakup provided by the bidder.
15. The manufacturing, fabrication, galvanizing, testing, erection procedure and materials used for manufacture and erection of towers, design and construction of foundations shall conform to the following Indian Standards (IS) which shall mean latest revisions, with amendments/changes adopted and published, unless specifically stated otherwise in the Specification:

- 15.1 IS Code TITLE I IS:875 Code of Practice for Design Loads (Other Than Earthquake for Buildings and Structures
- 15.2 IS:1893 Criteria for Earthquake Resistant Design of Structures
- 15.3 IS:800 Code of Practice for General Construction in Steel
- 15.4 IS:11233 Code of Practice for Design and Construction of Radar Antenna, Microwave and TV Tower Foundations
- 15.5 IS:456 Code of Practice for Plain and Reinforced Concrete
- 15.6 IS:10270 Guidelines for Design and Construction of Prestressed Rock Anchors
- 15.7 IS:1367 Technical Supply Conditions for Threaded Steel Fasteners
- 15.8 IS:6639 Specification for Hexagon Bolts for Steel Structures
- 15.9 IS:1363 Hexagon Head Bolts, Screws and Nuts of Product Grade 'c'
- 15.10 IS:1573 Specification for Electroplated Coatings of Zinc on Iron and Steel
- 15.11 IS: 1024 Code of practice for use of welding in bridges and structures subject to dynamic loading
- 15.12 IS:9595 Metal arc welding of carbon and carbon manganese steels - Recommendations
- 15.13 IS:7215 Tolerances for Fabrication of Steel Structures
- 15.14 IS:2629 Recommended Practice for Hot-Dip Galvanizing of Iron and Steel
- 15.15 IS:4759 Hot-dip zinc coatings on structural steel and other allied products
- 15.16 IS:2633 Methods for testing uniformity of coating of zinc coated articles
- 15.17 IS:3203 Methods of testing local thickness of electroplated coatings
- 15.18 IS:5358 Specification for galvanization of Bolts and other fasteners
- 15.19 IS:2062 Steel for General Structural Purposes - Specification (June 1997)
- 15.20 IS:1852 Rolling and cutting tolerances for hot rolled steel products
- 15.21 IS:2500 Sampling Procedure for Inspection by Attributes
- 15.22 IS:808 Dimensions for Hot Rolled Steel Beam, Column, Channel and Angle Sections
- 15.23 IS:4000 High Strength Bolts in Steel Structures - Code of Practice
- 15.24 IS:5666 Specification for Etch (Pretreatment) Primer
- 15.25 IS:2932 Specification of synthetic enamel paint
- 15.26 IS:2720 Methods of Test for Soils
- 15.27 IS:1892 Code of Practice for Subsurface Investigation for Foundations
- 15.28 IS:2131 Method for Standard Penetration Test for Soils
- 15.29 IS 8112 Specification for 43 grade ordinary Portland cement
- 15.30 IS:1489 Portland - Pozzolana Cement - Specification
- 15.31 IS:383 Specification for Coarse and Fine Aggregates from Natural Sources for Concrete
- 15.32 IS:432 Specification for Mild Steel and Medium Tensile Steel Bars and Hard Drawn Steel Wire for Concrete Reinforcement
- 15.33 IS: 1139 Specification for high strength deformed steel bars and wires for concrete reinforcement
- 15.34 IS:1786 Specification for high strength deformed steel bars and wires for concrete Reinforcement
- 15.35 IS:2502 Code of Practice for Bending and Fixing of Bars for Concrete Reinforcement
- 15.36 IS:2309 Code of practice for the protection of buildings and allied structures against Lightning
- 15.37 IS:3043 Code of practice for Earthing
- 15.38 IS:1554 PVC insulated (heavy duty) electric cables:
- 15.39 IS:816 Code of practice for use of metal arc welding for general construction in mild Steel
- 15.40 IS 3502 Steel Chequered Plates - Specifications
- 15.41 IS 209 Zinc Ingot - Specification
- 15.42 IS 1566 Specification for Hard-drawn Steel Wire Fabric for Concrete Reinforcement

15.43 IS 12843 Tolerances for Erection of Steel Structures

15.44 IS 13229 Standard for Zinc for Galvanization

15.45 IS 6610 & IS 3063 Standards for plain washers and spring washers

6. Patent & copyright:

1. The bidder shall hold the purchaser and his employees safe, harmless and immune from any liability that may arise out of infringements of patents and copyright associated with design, fabrication, erection of tower construction work and its accessories.
2. All deviation from these specifications should be clearly brought out in a separate annexure and submitted with the offer. The bidder shall be deemed to comply with specifications in that aspect which do not figure specifically in the deviations from specification. A compliance statement/Nil deviation statement in the format enclosed shall be submitted.

SECTION III
CHAPTER 3
Check-list

Sl. No	Description	Yes /No	Remarks
Material			
1	On receipt of tower material at site, check availability of all sections as per RDSO's drawing.		
2	Quality of tube: Yst-310 grade conforming to IS:1161-2014		
3	Test certificate from the manufacturer SAIL/TISCO/VSPL available.		
4	Independent test report from approved lab on the quality of steel.		
5	Steel members shall be free from cracks, lamination, rust and scaling.		
6	Edges of members shall not be sharp.		
7	Position of holes must conform to drawing. Holes shall have their axis perpendicular to the bored.		
8	Test certificate for mass of zinc coating available.		
9	Galvanization thickness is checked in the field by instrument (ELCOMETER etc.).		
10	The adhesion of zinc coating should be checked by giving pivoted hammer blows. The zinc coating shall not flat off when applied pivot hammer blows.		
Erection			
11	Whether base width of the tower is as per the drawing		
12	Whether top width of the tower is as per the drawing.		
13	Whether height width of the tower is as per the drawing.		
14	Whether condition of the welding at various locations is satisfactory.		
15	Bulky white deposits and blisters and is satisfactory.		
16	Whether quality of primer (if applied) is satisfactory.		
17	Whether any mis punch/excess holes are made in any member.		
18	Whether the tightening of bolts is checked with torque wrench and found satisfactory.		
19	Whether length of any bolts is short.		
20	Whether any gap is observed between the chequered plate at working plate		
21	Whether any lack of fit in any member due to defective fabrication.		
22	Whether the member dimension, member lengths, slop, section sizes etc. are as per drawing.		
23	Whether bolt holes, bolt size, bolt no. and its position on member is as per drawing.
