PRESS RELEASE

RailTel celebrates Independence Day with patriotic zeal

RailTel Corporation of India Limited, a Navratna CPSE under the Ministry of Railways, celebrated Independence Day with great enthusiasm at its offices across the country.

Sh. Sanjai Kumar, CMD/RailTel unfurled the National Flag, in the presence of Directors, senior officials and staff, in a gala ceremony arranged at RailTel Gurugram office.

The celebration featured cultural performances by employees, showcasing the spirit of patriotism and unity. The programme included stirring patriotic songs and energetic dance performances that reflected India's diverse culture and heritage. A number of employees participated with great enthusiasm, making the event vibrant and inclusive.

Addressing the gathering, Sh. Sanjai Kumar said, "Independence Day reminds us of our rich legacy and the progress we have made as a nation. While cherishing our Fundamental Rights, we must also fulfill our duties towards the country. We also should be committed to fostering a sustainable environment that benefits not only the present generation but also future generations. RailTel remains committed to driving digital transformation and contributing to nation-building."

About RailTel-

RailTel Corporation of India Ltd., a Navratna PSU under Ministry of Railways, is one of the largest neutral telecom infrastructure providers in India and a trusted end-to-end IT & ICT service provider. RailTel has extensive optical fibre network of 62,000 RKM along the railway tracks, a 21,000 KM citywide access network, 11000+ Point of Presence (PoPs) and 1,100 telecom towers Nationwide. RailTel has also created one of the world's largest integrated public Wi-Fi networks, offering services at 6,112 railway stations across the country. This robust infrastructure is supported by a Central Network Operation Centre (CNOC) and four region-based Network Operation Centres (NOCs).

RailTel is a unique PSU with telecom licenses (IP-1, NLD, ISP) in-house Tier III data centre services, own Security Operation Centre and MeitY- empaneled cloud services under one roof. The company's wide-ranging service portfolio includes MPLS VPN, leased lines, tower co-location, data centre services, cloud services, security operation centre services, HD video conferencing, Aadhaar-based authentication systems, e-tendering, retail broadband under the brand RailWire, IT and ICT projects, railway Signalling projects, and many more.
